

Huntington Picks Eight Men for State Hoop Tourney

TEAM AWAITING ITS FINAL TEST

Will Play no More Games In Week Intervening Before Tournament

Coach Hollis Huntington has announced the eight players who will represent Salem high as district number seven in the Oregon state high school basketball tournament at Willamette university next week.

Salem high representing district seven, and the winner of district six, which will probably be North Bend or Marshfield, will be the last teams to swing into action in the tournament, meeting next Wednesday night at 9:30.

In addition to the regular five players, each team is allowed to enter three substitutes or alternates for play in the tournament. Huntington announces that the regular team of Bone and Kelly forwards, Burrell center and Sanford and Schlichter guards will be entered. The other three men who got the call are Brownell, Engle and Perrine. Brownell is a center, Engle a guard and Perrine a forward.

No More Contests Before Tournament
No more games will be played by Salem high before entering the tournament, though strenuous practices will continue this week to avert a let down. Next week the practices will taper off and Huntington believes he can bring his team into the tournament in the right physical condition and proper mental frame of mind.

Huntington says his team is weaker in some respects than it was last year, but some observers are of the opinion that it is as strong or stronger. Foreman and Kitchen are the men who will be missed most. Foreman was a good scorer and Kitchen a wonderful passer.

However Bone is better than last season and Sanford is also hitting a better stride, being rangier and smoother than last year. Mark Schlichter has been playing a better game this season than he did last and in spite of a recent illness, will probably be back in good condition for the tournament.

At center Salem high is stronger on offense and weaker on defense. Burrell has developed into a strong offensive man and has set up a good scoring record this season. He is strong and capable of playing a hard game clear through. However he is not quite up to standard on defense.

The reserve men are good, particularly Brownell and Engle. Engle could be used at any time without spoiling the workings of the team and Brownell is a good player for a quarter or longer.

Perrine was out of practice for six weeks during the season and has not had much work with the team but is a good shot.

The Salem high men feel confident of their ability to make a strong bid for the championship. However the teams on the side of the bracket with Salem are no soft-ups, particularly Corvallis and Klamath Falls, both composed of big men.

Peckinpaugh Looking for Shortstop; Otherwise His Young Indians Look Good

By RALPH WHEATLEY

NEW ORLEANS, March 9.

(AP)—"My kingdom for a shortstop," wails Roger Peckinpaugh, manager of the Cleveland Indians, one of the greatest shortstops in his day the game has ever known.

For four years, Peck says, he has been looking for a shortstop but can't find one.

"What, a shortstop like you can't develop one?" he was asked.

"Boy, you don't make shortstops. They have to be born. You don't hear of Walter Johnson, bringing out any second Walter Johnsons, do you?"

So Peckinpaugh has decided to raise one. He expects his 16-year-old son, now burning up the sandlots at short, to take over the tricky post for the Indians someday.

Manager Peckinpaugh expressed

satisfaction with the rest of his team, and believes they have good prospects.

Under present plans, the Indians of 1932 will be the same Indians in name as those of 1931 with perhaps about four young pitchers added to the roster.

Peckinpaugh believes Eddie Montague will be a better shortstop this season than last and might develop suddenly just as Joe Cronin did. Joe and Eddie were boyhood playmates in San Francisco and during the winter Joe has been telling Eddie all he knows about being a shortstop.

Right now four minor league pitchers are attracting attention at the camp. They are Monte Pearson and Howard Craghead, from Oakland of the Pacific Coast league; Oral C. Hildebrand, from Indianapolis of the American association; and Belve Bean of New Orleans.

They were evenly matched.

The events:
Freestyle relay, 100 yards—sophomores first, juniors second. Time 1:18.

Racing back relay 100 yards—sophomores first, seniors second. Time 1:22.

Side stroke relay, 100 yards—seniors first, sophomores second. Time 1:26.

Breast stroke relay, 100 yards—seniors first, juniors second. Time 1:37.

Swan dive—seniors first, sophomores second.

Side knife dive—juniors first, sophomores second.

Optional dive—seniors first, juniors second.

Dive for distance—sophomores first, seniors second. Distance 37 feet.

Underwater swim—juniors first, seniors second. Roberta Johnson swam 105 feet, Anoka Coates 95 feet and Marion Ross, sophomore, 87 feet.

The seniors won the original stunt event with a floating accordion.

Officials were: Muriel White, Ruth Versteeg and Mrs. Arnold Boardman, with Coach Arnold in charge.

Team members: Seniors—Ellen Moore, Anoka Coates and Danna Bishop; juniors—Doris Hilday, Roberta Johnson, Barbara Walker, Rachel Yocom, Martha Sprague and Grace Peters; sophomores—Marion Ross, Catherine Headrick, Joyce Albee, Betty Abrams and Frances Jirak.

Referee, Ross.

EVANGELICAL AND PRESBYTERIAN WIN

Presbyterial and Evangelical, the A League entries, prevailed in the opening games of the Church league playoff, Presbyterian defeating Congregational 41 to 30 and Evangelical nosing out First Christian 25 to 24 in an overtime game.

Barquist scored the three points made by Evangelical in the overtime and Kimple made two points for the losers.

The second round of games will be played tonight to avoid conflict with spring opening. Presbyterian will play First Christian and Evangelical will meet Congregational.

SALEM'S TRACK SQUAD WORKING

Preparing for Hill Relays With Emphasis Placed On Medley Event

The Salem high track team is working out regularly and Coach Vernon Gilmore will try to round the crew into shape to enter the Hill Military Academy indoor relay meet March 24.

The medley relay will be worked on particularly by Salem as the chances seem best in it. At the meet there will be a four mile relay, a two mile relay, one mile relay, shot put relay and the medley relay.

In the medley relay Waltz will run the 440, Cross the half mile, Dave Shepard the mile and perhaps Flisinger or Paul Brown the 200 yard distance. Cross has developed since last year and has lengthened his stride without losing any of his power.

Coach Vernon Gilmore will not enter any shot put relay team as the showings made in that event have not been generally good this season. One exception to this is Moody who is coming along fine. However four good men are required for a relay.

Large Squad Will Vie for Selection

About 45 men have already started working out for track and Coach Gilmore expects that many more to join the squad in the near future. He is checking the gymnasium classes closely for available material.

Sanford, Kelly, Engle and Mosher will join the track squad after basketball season and add considerable strength to the sprinters. Mosher made a good start at the broad jump last year and is now larger and faster.

The high jumpers are showing improvement this season and are now going as high or higher than those of last season did. Baker, Burgoine, Morley and one entrant from Leslie are showing plenty of promise in that event.

Gilmore expects a better team this season than the one last year and a better balanced team as there are men of fair ability in almost all the events. Competition will doubtless be stronger than last season so Gilmore is particularly anxious to get the best talent in school out for the sport.

Leslie street, at 9 o'clock Saturday night. The next business meeting will be held on April 4.

HEADS OF GOLF CLUB RETAINED

Swimming Tank Plan Makes Progress; Greens Fees Will be Lowered

Ercel Kay, president; Graham Sharkey, vice president and secretary; and D. W. Kyre, treasurer, were reelected unanimously to fill those offices in the Salem Golf club when the directors met this week.

Estimates on the cost of installing an outdoor swimming tank near the clubhouse were presented and the project was looked upon favorably by the directors. Definite action awaits a few more necessary data.

The directors voted to reduce the greens fees by instituting an "all day" rate, and also through a greens fee ticket book which cost less than separate payments.

Guy V. Smith was elected unanimously as team captain, and it is expected that he will have some activity ready to announce within a few days.

The swimming tank, if installed, will be 25 by 75 feet in dimensions and will be the only outdoor tank using purified water in this vicinity. Directors of the club were of the opinion that the innovation would be much appreciated by members for their own use and especially for the younger generation who would be safer there under supervision than swimming in the river or elsewhere.

Johnson Swedes Defeat Soldiers By 41-33 Score

Johnson's Swedes defeated the Company B National Guard basketball team Wednesday night at the armory, 41 to 33, despite the highly effective marksmanship of Van Lydegraf of the soldier team who tossed in nine field goals.

Beall of the Swedes came within one of equalling that performance and had better support.

CURT COMMENTS

MEDFORD, Ore., March 9.

(AP)—Medford high school's basketball team defeated Phoenix, 46 to 38, today to win the southern Oregon district title.

And so good old Roaring Medford will be with us again. We've missed you, boys.

News comes out of Madison, Wis., that the athletic council of the University of Wisconsin is angling for Doc Spears as a successor to Glenn Thistlethwaite. Spears says he hasn't heard a word about it. Another of those underground things about which no authentic dope seems to be available.

But we wouldn't be surprised if Spears would hearken to such a call, in view of the uncertainty surrounding Oregon's educational setup. Wonder who'd succeed him? Billy Reinhardt ought to get the job if there's any justice. He's been chief assistant to four or five high powered men already and ought to know all the tricks by now—and especially all the things not to do.

The fine weather (sometimes) is bringing out a raft of golfers these days. The season is at hand, even though some of the real faithful haven't ever conceded that the last season ended.
