list made little headway, but at least the emphatic heaviness of the previous session was overcome. Week-end retirement of short contracts apparently provided much of the buying.

The net advance for the day, as measured by the averages, was ittle more than half a point. The turnover was 642,015 shares.

Among the few issues which managed to come through the session with gains of about a point were Allied Chemical, American Can, Dupont, Eastman, Monsanto Chemical, National Steel, Real Silk Hoslery, and Safeway Stores. Fractional gains appeared in many prominent issues, including U. S. Steel, General Motors, General Electric, New York Central and Union Pacific. Santa Fe and Continental Baking preferred registered exceptional gains of 1%

Indicate Damage to Fall Sown

CHICAGO, Mar. 12-(AP)-Increasing uneasiness over the condition of the United States winter wheat crop led to higher prices today.

Lowest temperatures yet in the present cold spell were reported from Kansas. Ohio advices indicated damage which would be augmented when wheat thawed out, and there were estimates several million acres of hard winter wheat in Nebraska, Kansas Oklahoma, Colorado and Texas would require auspicious weather hereafter to overcome existing drawbacks.
