NEW SHREDED BISCUIT MORE ECONOMICAL

Just One of the Improvements Developed for Kellogg's Whole Wheat Biscuits

When the Kellogg Company were perfecting their new shredded biscuit, they decided that one of the improvements would be in the size of the biscuit. Kellogg's WHOLE WHEAT Biscuits are a new, convenient size. Two are just right for a serving and fit the cereal bowl without crumbling. Also you get 15 to the package, instead of the usual dozen.

The new Kellogg biscuits have a most delicious taste and crispness. They are "pressure-cooked"—a special process that bakes in the rich flavor. And every biscuit is double toasted—browned on both top and bottom.

Of even greater interest is the fact that Kellogg's WHOLE WHEAT Biscuits are so rich in food value that every package is certified by the Medical Arts Laboratory of Philadelphia. "Pressure-cooking" retains all the food value of the whole wheat, as well as making the biscuit easier to digest.

You'll find these new shredded biscuits a very welcome improvement. Delightful served with hot or cold milk or cream—fruit or honey added for breakfast, lunch, and children's supper.

Grocers say that sales are steadily increasing. Identify this improved cereal by the familiar red and green Kellogg's package. Made by Kellogg in Battle Creek.

The Band Box Dry Cleaning Unit...

The constantly increasing use of SILKS, RAYONS, and CELENESE in Dresses, Shirts, Curtains, Counterpanes, etc., have made it almost imperative that we have a Dry Cleaning Department in connection with our Laundry.

Many of these fabrics, because of shrinking and for the reason that they do not stand extreme temperatures, should not be washed in the ordinary way. For these reasons we have installed what seems to be The Last Word in Dry Cleaning

THE BAND BOX DRY CLEANING UNIT

The Unit has quite a capacity, and we are in a position to handle anything that should be dry cleaned.

Any one of our delivery trucks will gladly call for and deliver your dry cleaning.

We are in a position to render unusually prompt service.

Our cleaning leaves the garment absolutely ODORLESS.
