We Apologize....

An apology is due our thousands of kind patrons who thronged this floor last Friday and Saturday, and who were obliged to wait at the doors for their turn to get in. It was impossible for us to wait on all the people that have flocked to this sale during the last few days. Many had to leave without being waited on. We must ask you to bear with us, for we are doing our best, and such bargains are worth a little inconvenience to obtain. We have doubled our force of employes for tomorrow and we hope to be able to more promptly wait on all.

We have but one thought in mind and that is to sell this stock quickly, regardless of price. The merchandise is marked so low that you will be forced to buy in large quantities for months to come. Come early. Attend this sale every day. Bring this circular with you, seeing is believing. Be convinced that every word in this advertisement is absolutely true.
