Bridge Tea is Pretty Affair Of Week

The guest rooms were beautifully fresh and suggestive of spring with a profusion of spring blossoms used for decorations.

## FRIEND TOLD HIM **ABOUT ALL-BRAN**

And It Brought Relief From Constipation

Those who are bothered with constipation should read Mr. Gelpke's unsolicited letter:

"I have suffered with constipation for years. A friend of mine told me to try ALL-BRAN. I have taken ALL-BRAN for the past six weeks as a breakfast food. It has regulated my bowels as clockwork. Now I would not be without a package at

all times." - Mr. Leslie Gelpke, 273 Ridgewood Ave., Newark, N. J. Common constipation-with its headaches, loss of appetite, sleep-lessness — is due to lack of "bulk" to exercise the intestines, Vitamin B to help tone the intestinal tract. Both are present in Kellogg's ALL-Bran, as well as iron for the blood.

The "bulk" in ALL-BRAN is much like that in lettuce. Within the gently clears the intestines of wastes. Being a natural corrective, ALL-BRAN is not habit-forming.

Try ALL-BRAN in place of pills and drugs-so often harmful. Just eat two tablespoonfuls daily --serious cases with every meal. If your intestinal trouble is not relieved this way, see your doctor.

In the red-and-green package. At all grocers. Made by Kellogg in
