

PUPILS SEE SELVES IN FULLER'S FILMS

FAIRVIEW, March 29.—W. V. Fuller of the state forestry department presented a splendid motion picture and educational program at the schoolhouse Friday night. Besides the eight reels of film that Mr. Fuller shows he has one of the finest collections on the coast of colored slides, showing

pictures of Oregon and Washington scenes. An interesting feature of the evening was the moving pictures taken of an Oregon historical pageant dramatized by the school children under the direction of Mrs. Grace Selton. The film showed scenes from the Lewis and Clark expedition, the covered wagon and ox team of the Oregon Trail, Jason Lee and the Methodist mission, John Ball, the first school teacher, the establishment of the government at Champeau, the Circuit Rider, and also scenes showing Indian dances and the smoking of the peace pipe. Mr. and Mrs. M. A. Plaker and family of Portland were visitors at the F. L. Morse home Sunday. Miss Gladys Pack spent Easter at the Gus Moser home. Mr. and Mrs. Arnold White, Jr., of Falls City are house guests of Arnold White, Sr. Dinner guests at the J. H. Crawford home Sunday were Mr. and Mrs. Earl Wood, Gudivero and Howard Wood and Billy Judson of Salem, and Mr. and Mrs. Charles Ruggles of Liberty.

EDWARDS HOME LINCOLN, March 30.—W. R. Edwards who has been a patient at a Salem hospital since having an appendix and gall bladder operation last week, was brought home Sunday.

Minor Car Mishaps Reported, Jefferson

JEFFERSON, March 30.—Two accidents occurred Monday afternoon, about four miles north of Jefferson on the highway, when a car skidded on the wet pavement and car driven at a high rate of speed crowded the car driven by Mrs. Percy Kelly, accompanied by Miss Cornelius, off the highway, causing it to turn over. They escaped

injury. While the men from the garage were working with the Kelly car Mrs. H. G. Gordon and her two children of San Francisco, going south, came around the curve too fast, and in slowing down, her car skidded on the wet pavement and hit the wrecker. The windshield of the Gordon car was broken and the car slightly damaged. One of the children received a small cut on the forehead.

Oh Yeah?

Well we've noticed it up here too mister. We glean the following information from the financial page of one of Portland's leading Dailies.

The Editor of the paper mentioned above has the following to say — (quoting in part only)—

Old Large Size Currency

rapidly disappearing in Portland—and for the information of the Editor, we might add that the new size currency is just about as conspicuous by its absence round these parts as the old size. We hasten to add the however that the people hereabouts have the advantage of a couple of stores making it unnecessary to tote a lotta big Bills around with em—As most of the people are quite familiar with the fact that a dollar Bill Buys em about all they can pack outa the store at one packin—the stores referred to of course are none other than Busick's stores our modesty of course prompts us in telling the name of the stores—then too there might be some one living within a radius of a hundred miles or so of Salem that haven't yet realized the opportunities awaiting em here.
