

# Bearcat Track Team Promises Real Strength This Season

## MFN AVAILABLE IN ALL EVENTS

### About 30 Working out for Team With More due After Football

With 26 to 30 men working out daily for track at Willamette university, the Bearcat athletes are well prepared to dole up as much in events in the track meets this season.

Burgess Ford, who has been devoting no less than five or six hours a day to track all season, announced that few of the men will compete in more than two events as a general rule in the meets.

Seven sprinters men are working out for the 100 and the 220. Cannady, Lloyd, Larnard, Hamilton, Art Erickson, Walker and James have been named for the sprints. This is the strongest array of sprints men Willamette has had for many seasons.

Faber, Armstrong, Bishop and Ney are working on the 440, brightening the prospects in that event. Armstrong is better than that event and Faber is a three-year letterman who is shifted to the quarter mile. He and Bishop are both powerful in the 440.

The half mile will be handled by McCullough, Kaiser and Rowley. Kaiser is working out for football now, but will be out later. Ralph McCullough is showing marked improvement and stands a good chance to place in some of the dual meets.

## The Call Board

By OLIVE M. DOAK

- Warner Bros. Capitol Today - Charles Farrell in "After Tomorrow"
  - Friday - Slim Summerville and Zasu Pitts in "The Unexpected Father"
  - Warner Bros. Elsinore Today - Claudette Colbert in "The Wiser Sex"
  - Friday - Kay Francis in "Strangers in Love"
  - The Hollywood Today - Ricardo Cortez in "Reckless Living"
  - Friday - Ralph Ince in "Law of the Sea"
  - The Grand Today - Walter Huston in "The Ruling Voice"
  - Friday - George O'Brien in "The Rainbow Trail"
- The Grand theatre has a timely offering for the public Tuesday afternoon and evening. Victor "Aloysious" Meyers, famous as the jesting candidate for mayor of Seattle and a musician of distinction on the coast, will be headliner with his orchestra and a group of radio entertainers at the Grand for two performances Tuesday.
- Meyers and his orchestra are touring the coast and through personal connections with the booking agent it was possible for Manager Schmid to offer Salem audiences this interesting piece of entertainment.
- It is my guess that you will enjoy both the offerings at the Elsinore and the Capitol today. Charles Farrell and Marion Nixon are delightful in "After Tomorrow". William Collier, Sr., too, is someone to remember. You may not care for the theme of the play but you will find that the continuity is so full of unusual and fine flashes that the picture will stand out in your memory.
- "The Wiser Sex" will give the most something to think about, maybe—for it is a bit overdone and not the sort of story that might happen everyday. But Claudette Colbert does some excellent acting, and so does Melvyn Douglas. As for action, there is plenty of it.

## Mid-Willamette Schedule For Polk Division Ready; Ten Weeks' Play Planned

Schedule for the Mid-Willamette Valley Baseball association's three-division league was drawn up this week, but some changes have been in prospect and publication has been delayed. Now the schedule for Division No. 6, composed of Polk county teams, is apparently settled and has been released by Secretary Frank Baaker.

This division like the others will start play April 24. The schedule is as follows:

First week: Monmouth at Falls City, Grand Ronde at Astoria, Independence at Dallas.

Second week: Monmouth at Independence, Falls City at Grand Ronde, Astoria at Dallas.

Third week: Grand Ronde at Monmouth, Dallas at Falls City, Independence at Astoria.

Fourth week: Monmouth at Dallas, Grand Ronde at Independence, Falls City at Astoria.

Fifth week: Astoria at Monmouth, Dallas at Grand Ronde, Independence at Falls City.

Sixth week: Falls City at Monmouth, Astoria at Grand Ronde, Dallas at Independence.

Seventh week: Independence at Monmouth, Grand Ronde at Falls City, Dallas at Astoria.

Eighth week: Monmouth at Grand Ronde, Falls City at Dallas, Astoria at Independence.

Ninth week: Dallas at Monmouth, Independence at Grand Ronde, Astoria at Falls City.

Tenth week: Monmouth at Astoria, Grand Ronde at Dallas, Falls City at Independence.

Erwin is the only letterman in the mile event, but he promises to better his last season's marks by at least five seconds. Six other aspirants for the mile are Wild, Mesley, Adlard, Peathers, Clarke and Bigby.

For the two mile there are two lettermen, Cook and Dumas and also Vic McKenzie.

In the hurdles there will be Kings, Paul, Carpenter, James and Larnard. Kings and Larnard will work out for the high jump and Lloyd and Larnard for the broad jump.

In the pole vault there will be Faniz, Faber, Dean and McClenon. Only a few of the weights men are working out now as a number are practicing football. Those who will enter the shot put are Connors, Olson and Boyd. The discus will be propelled by Connors, Rieke, Grannis and Olson. Larnard, Grannis, John Ross and Tull are working on the javelin.

Interclass Meet Scheduled April 15

The first meet scheduled is the interclass meet April 15. The Willamette track will probably not be in good condition by that time so the meet will either be held on Olinger field or abandoned.

A meet with Pacific college of Newberg will be sought for April 22 or 23. The first definitely arranged meet with another school will be April 29 with Monmouth Normal at Monmouth. The teachers won from Willamette last year. May 7 Willamette will meet Linfield here as part of the May weekend festivities.

Ford is giving individual attention to each man and has been giving clocking them to help them judge their speed. He is also working his sprinters on their starts, using a gun to accustom them to starting with the crack of the pistol.

## DUCKS EVEN UP ANGELS SERIES

### Dietrich Makes Impressive Debut Aided by Blows Of Beaver Hitters

PORTLAND, April 6.—(AP)—Portland evened the opening series with Los Angeles today by hammering out a 7 to 4 victory in a six and a half hour contest.

The Ducks gathered 13 hits off Win Ballou, the Angels' best hurler last year, including a home run by Bob Johnson in the second inning.

Bill Dietrich, claimed by Manager Spencer Abbott of Portland to throw the "fastest" ball in the league, kept the nine hits he allowed fairly well scattered.

**Solons Win Again**  
SACRAMENTO, April 6.—(AP)—Sacramento made it two straight over the Missions here today, winning behind Ed Bryan's pitching 4 to 2.

Leon Chagnon was touched for all the Solons runs in the first three innings. After that, he and Lefty Briggs stopped the Sacs with two singles, but the damage had been done.

**Stars Tie up Series**  
OAKLAND, Cal., April 6.—(AP)—The Hollywood Stars defeated the Oakland Oaks here this afternoon six to four to even the opening series of the season.

Ed Walsh, who started on the mound for the Oaks, was touched for nine hits and all six runs in less than four innings, but ragged support caused his downfall. Roy Joiner, rookie southpaw, who relieved Walsh in the fourth, pitched shut-out ball the rest of the game.

HUBBARD, April 6.—Hubbard won another league game Tuesday when the grade school team defeated Butterville by a score of 10-4.

## ILLAHEE OPENS SEASON'S PLAY

### Wednesday Evening "Stag" Event Success, to be Repeated Weekly

Opening of the season's activity at the Illahee Country club was marked Wednesday evening by a "one club" tournament, pitching tournament, ping-pong tournament and bridge game in addition to the "stag" dinner for men of the club, attended by 55.

It was voted that similar affairs be held each Wednesday throughout the spring and summer, and that on these occasions each member would be entitled to bring a guest.

Other activity in prospect includes a number of team matches and also the formation of a four-man team which will travel further away, meeting groups from some clubs in Washington and elsewhere.

"Ladies' day" will also be inaugurated Friday of this week, with luncheon, golf and bridge. Organization of the ladies' team will probably be completed at that time.

## OUTDOOR BASEBALL PRACTICE STARTED

Finally, at last, after much talking and scrutinizing the weather reports and scanning the skies, the Willamette university baseball men managed to run between the raindrops and take an outdoor hitting practice on Sweetland field Wednesday afternoon.

Each man out for practice hit around three times, taking several cuts each time. A few of the football men stepped into the box to take a few swings at the ball and then resumed their pigskin chasing.

There was a slight sprinkling of rain during the latter part of the practice, not dampening spirits in the least, but being severe on horsehide. Last night's heavy rain will probably spoil chances for hitting practice today, but the men will lumber up in the gymnasium if the field is too wet.

Two full teams of players were on hand and the race for some of the positions promises to be a lively one.
