

PROGRESS PINS ARE AWARDED AT KEIZER

KEIZER, April 6 — Progress pins in the Palmer method of penmanship were awarded to nine members of the 5th and 6th grades: Marjorie Miller, Vera Merk, Sylvia Claggett, Roy Kaneko, William Rogers, Paul Burson, Rosemary Hicks, Mary McCall and Tsuchi Saito.

Two from the higher grades, Mary Torusaki and Dessie McClay, also received their Progress pins. These receiving their final certificates were Lorena Harold, Helen Scott, Blanche Betzer, Lorraine Russell, Harriett Minturn and Margaret Tappin.

Several interesting projects are being carried out in the 3rd and 4th grades at Keizer.

In the 4th grade geography, the foreign countries are being studied, according to the outline laid down for their grade. They are also making posters and booklets descriptive of the countries as art work.

In the 3rd grade in art they are studying water colors in connection with nature subjects. The

MUSIC TEACHER IS ELECTED, TURNER

TURNER, April 6—The Turner school board held a special business meeting Tuesday night. Mrs. Agnes Booth was elected teacher for the primary grades; and will also teach music in the three grade rooms. There has been a call for musical training in the grades where there is promise of much talent.

Mrs. Cleora Parks has been re-elected for her fifth year as head of the advanced grades, while Miss Ruth Clark, will remain for her second year as intermediate teacher.

Bids for supplying wood were received and A. E. Robertson will supply the fir wood.

HIGH SCHOOL BAND TO GIVE PROGRAM

Preparatory to entering the state high school band contest, Salem high's crack musical marchers will present a concert in the school auditorium next Wednesday night. Interlude features will be included on the program.

The players will appear at this concert in their new uniforms, for which proceeds of the affair will go to pay. The uniforms consist of white trousers, black cap lined with red, and red and black bandmen's cap.

Under the direction of E. R. Derry, the band during the past year has expanded from 15 musicians to 36, comprising a well-balanced organization.

The band contest will be held at Oregon State college on Friday and Saturday of next week, with some 700 high school musicians participating. Salem is expected to make a good showing in the A class, schools of over 600 enrollment.

Present state champions are Albany, Gresham and Irrigon.

The Thing That Counts

What is it that makes an ice cream, a pudding, a cake, a cream pie, or a confection taste good? It is the flavor, the rich, delicate vanilla flavor.
