NOW you can own that PACKARD!

The new LIGHT EIGHT five-passenger sedan is factory-priced at \$1750

HAVE YOU ever longed for the day when you could become the proud owner of a Packard ear? That day is here. You can become the owner of a Packard - the smart, new Light Eight which is available at a price but little greater than you are asked to pay for cars offering far less in appearance, performance and prestige.

The new Packard Light Eight is a strikingly handsome car. In appearance it belongs unmistak-ably to the distinguished Packard family-it is modern and original in its youthful grace of line and proportion. You will

find it a big, roomy and substantial car, too, for it is built on a chassis of 128 inch wheelbase and is "light" only in comparison with the other, larger cars of the Packard line-the Standard Eight, the Eight DeLuxe and the new Twin Six.

Before buying any car this spring be sure to see and drive the Packard Light Eight. You will thrill to the performance of its 110 horsepower, straighteight engine-its Silent Synchro-mesh Transmission, quiet in all three speeds—its simple, safe Finger Control Free-Wheel-ASK THE MAN WHO OWNS

ing and Ride Control. You will he delighted that such important features as shatter-proof glass in windshield and all windows, bumpers front and rear and six-ply tires are standard equipment at no extra cost.

The factory price of the Five-Passenger Sedan is but \$1750that of other models only \$1795. Bring in your old car today. We will tell you to the last dollar what it is worth, and show you how you can buy your Packard Light Eight out of income, if you so desire, with payments that are surprisingly small.
