CEREAL RELIEVED HIS CONSTIPATION

Kellogg's ALL-BRAN Brought New Health

Every one who has suffered from constipation should read Mr. P. M. Fisher's letter:

"For many years I suffered from constipation and used, for relief, all kinds of laxatives. After a few days' treatment, I would only find my condition the same as before and at times worse.

"Some time ago I started to use Kellogg's ALL-BRAN regularly, once a day as directed. Since doing this, I have found that I do not need any other medicine to procure the desired result, and it keeps me in a very healthful condition."—Mr. P. M. Fisher, 352 Evergreen Place, Ridgewood, N. J.

Constipation is caused by lack of two things in the diet: "Bulk" to exercise the intestines; Vitamin B to tone the intestinal tract. Alz-BRAN supplies both -- and also fron for the blood.

The "bulk" in ALL-BRAN is much like that in lettuce. Inside the body, it forms a soft mass, which gently clears out the wastes.

Equally tasty as a cereal, or used in cooking. Get the red-and-green package at your grocer's. Made by Kellogg in Battle Creek.
