GIRLS' CHORUS TO SING HERE MAY 7

Thieves Steal Musical Instruments From Turner School Building

TURNER, April 14.—The Turner girls high school chorus has been invited to give two numbers Saturday night, May 7, during good music week at the turnery in Salem. They will give two numbers, "The Kerry Dance" by Malloy-Fearis, and "The Cossacks" by Stuart-Van Norman. Mrs. Jean Pearcy is the director with Mrs. Mae Hadley piano accompanist.

Members of the chorus are Marjory Fowler, Ruth and Margaret Gilstrap, Katherine Shampier, Margaret Robertson, Opal Mickenham, Gladys Martin, Hildred Bones, Jean Snyder, Leone Cook, Josephine Gilstrap, Jessie Meyers, Helen and Helena Witzel, Jean Wilson, Marjory Pickard, Stella Mason, Anna Johnson, Emma Denyer, Mabel Beardsley, Emma Parr, Elsie Wilson.

School Entered

Upon opening the school building Tuesday morning, it was discovered that it had been entered during Monday night; locks on the domestic science room were badly jammed. A valuable accordion belonging to Mrs. May Hadley was taken, a ukulele belonging to Helen Witzel and other articles were missing. The school office was also opened.

The W. C. T. U. met Wednesday afternoon with Mrs. L. P. Rowley. Delegates elected to attend the county convention at Woodburn April 27, were Mrs. W. S. Burdette, Mrs. G. Barnett, Mrs. Susan Girardin, Mrs. J. R. Cox, alternate, Mrs. J. E. Webb, and Mrs. R. O. Witzel.

Membership Contest Scheduled by Club

WOODBURN, April 14.—At the regular meeting of the Woodburn Garden club, held Tuesday night at the home of Miss Carrie Waterbury, captains were chosen and two teams were picked. Each team is to get as many new members into the Garden club as possible. The losing side must give a "feed" to the winners. Captains of the teams are Mrs. Richard Yates and Mrs. Hiram Overton.

It was reported that the club made about \$10 on the shrub and flower sale held recently. The club has set out about 40 shrubs at the high school this spring, and plans to beautify the city hall next.

HOSS ADDRESSES COMMERCE CONFAB

INDEPENDENCE, April 14.—Hal E. Hoss, secretary of state, told of two hobbies in which he is very much interested—traffic law and prison reform—in his address at the dinner-meeting of the Independence chamber of commerce Tuesday in the parlors of the Presbyterian church. Mr. Hoss explained the duties of his office interspersing his remarks with his characteristic humor.

Miss Henrietta Wolfer, Mrs. Ellen Davis and Mrs. Maurice J. Butler were the members of a trio that entertained with several vocal selections. Mrs. Malford Nelson was the accompanist. G. G. Godfrey, president of the chamber of commerce, was master of ceremonies for the meeting at which 72 persons were present including members and their wives and the teachers of the local schools.

RIVERSIDES

Prove their quality again

Hunting Wolves on Riversides

Hammond, Mebr.

Montgomery Ward & Co. Chicago, Ill.

Gentlemen: An sending picture of 12 coyote skins, myself, dogs, and car. This car equipped with Riversides travels all over our country in the roughest places; in fact where some people would not think of riding a horse. I have spent over 20 years wolf hunting with dogs, in the past few years using cars, and your tires I will put up against anyone's tires. They stand more hard knocks, last longer and I can depend on them. I wouldn't trade one Riverside for any 2 tires I ever used. Yours for better tires.

Ben Ammon

This interesting letter from Mr. Ammon is one of many hundreds in our files. It is one of the many letters sent to us without solicitation. Reading was paid for it. It is a genuine expression of gratitude for our meritorious service.

And now we offer 6 PLY Riversides at 4 PLY PRICES

The new 6-PLY Riverside Mate is the greatest tire value that we have ever offered. An even better Miles-Per-Dollar value than the tire Mr. Ammon praises. For here are the lowest prices at which we have ever sold a 6-PLY Heavy Duty Riverside Tire. Think of this 6-PLY From Bond to Bond at the Usual Price of Other 4-PLY Tires!

Riverside is one of America's most famous tires. For 20 years we have supplied them to the motoring public. They are of the highest quality it is possible to produce. They are built by one of the world's largest tire companies. They are backed by a new unlimited guarantee—the fairest and most liberal ever put on any tire.

We'll match Riversides on the road against any tire and beat it in price. So why be satisfied with other 4-Ply tires when you can buy full 6-Ply Riversides for the same money?
