Testimony as to his Record And Reputation Mark **Opening of Case**

Audit Showing Empire Firm Status Final Evidence Put on by State

DALLAS, May 10-(Special)-Presentation of the defense case in the trial of Judge O. P. Coshow on a charge of devising a scheme to defraud began late this afternoon with Walter Keyes, defense attorney, questioning the witnesses. The state finished its case just before the afternoon recess. Oscar Hayter entered a mot tion for dismissal of the charges and for a directed verdict of not guilty on the ground the state had failed to prove the allegations set forth in the indictment. This motion was denied by Judge Walker and the defense started its case. Mr. Keyes stated that Judge Coshow would take the stand tomorrow in his own de-

The first witness called by the fense was B. W. Strong of Roseburg. Under cross-examination, Mr. Strong said that he was not a stockholder in the Empire Holding corporation although he had been asked to sub-

Contract Cancelled Due to Misstatement

C. B. Kizer of Harrisburg stated that he had known Judge Coshow practically all his life. He was asked to buy stock in the Empire company and took five tire amount. Later he wrote to Judge Coshow and asked that his subscription be cancelled and his notes returned because the salesman had made some false representations to him. In answer to this request, Judge Coshow wrote a letter to Kizer stating that he was sorry the salesman had made these misstatements and saying that the notes and subscription would be returned upon request. In the letter Judge Coshow said that "no salesman is authorized to make any misrepresentations." Kizer stated that he received the notes and stock subscription after they had been cancelled and that he wrote a letter to Judge Coshot acknowledging this.

Edwin B. Hicks, district attorney of Grant county, told of writing to Judge Coshow asking about the Empire company after he had been asked to buy stock. In the letter written by Coshow which letter written by Coshow which was introduced as evidence, the officers' salaries were stated in full as set forth in their contracts and other information about the company was given which was in line with the facts.

Hicks stated that he had known Coshow for years and had written to him thanking him for this information. He said that he did not know that this letter was included in the sales kit sent to salesmen. Hicks subscribed for 25 shares of Empire stock and gave two notes, one for \$500 and one for \$2000. He paid only \$20 on his stock and the \$2000 note was later cancelled through Judge Co-

Tuition Law Outcome to Affect Many

is declared unconstitutional, 518 pupils or 23.5 per cent of the enrollment in Salem junior and senfor high schools will be affected Superintendent George W. Hug stated in a report to the school board last night. Of the 518, 350 are attending senior high school and 168 the ninth grade in the junior high schools,

Further he announced that a questionnaire answered by the 410 of these pupils who would ordinarily be in the schools next year showed but 19 per cent, or 78 students, who would come to school if it became necessary to charge them \$100 tuition. To the tuition question, 76.5 per cent, or 313 pupils, answered that they would not come back to school. Thirteen pupils were not sure about it and six said they would move to Salem to avoid paying tuition.

Answers by schools were as follows: Senior high—yes 50, no 191, not sure 13; Parrish junior high-yes 25, no 84; Leslie junfor high-yes three, no 38.

Of the 518 pupils, 24.6 per cent live in non-high school districts. Thirty per cent of those in the junior high schools are in this category and 22.6 per cent, in the senior high school.

The tuition law has been atby citizens of non-high tacked school districts in the vicinity of Mt. Angel and is being taken to the supreme court.

The board laid on the table until next meeting the matter of offering the district attorney the services of the school attorney in this case, Weinacht vs. Bower.

HIT-RUN CHARGES FACING DAVIDSON

State police last night caught Ralph B. Davidson of Molalla at Cronemiller is the intersection of the Pacific and the Mt. Angel highways, at Woodburn, and arrested him on a charge of hit-and-run driving. The Davidson automobile, they allege, struck parked car belonging to R. B. Crawford, while it was parked at 1462 North Commercial Bob Brandon, living at that ad-

ress, saw the collision, and called the police. The officers trailed Davidson, who drove out Silverton road, then switched back over the Mt. Angel highway. He was speeding at time of the accident and when apprehended, they claimed. According to the officers, Davidson's machine struck the rear of the Crawford readster, smashing it against a tree. The six-inch tree trunk was broken off near the ground the roadster practicaldemolished. Davidson, wit-

nesses said, did not stop. A state officer stated that there was evidence that Davidson had been drinking liquor.

No Recommendation is Forthcoming From H. S. Principal

Pleas for and Against Lads' Return Made By Citizens

With the question of reinstatement of the seven expelled high school boys brought up by one of the parents last night, the school board listened to two pleas for and two against this action, announced that Principal Fred D. Wolf had made no recommendation, and ended up by letting the matter stand unchanged.

The directors did not as a group commit themselves upon the question of whether or not the boys should be reinstated. They stood on the proposition that the act of expulsion was taken at the recommendation of Principal Wolf and that therefore they should look to him for further suggestions if any change in the situation might be deemed advis-

James H. Nicholson injected the reinstatement question into the meeting after the directors had transacted routine business. His son, James Jr., is one of the seven boys expelled and one of the three who in justice court were freed from the assault and battery charge resulting from the abduction and mistreatment of Victor DeJardin two weeks ago.

"I should like to find out what is necessary to get these boys back in school," he said. Recommendation by

Wolf is Expected He stated that he had understood the board was to have a recommendation from the primcipal to the effect that the boys be reinstated. When told that no such recommendation had been submitted, he requested that Principal Wolf be called in. While the board was considering the request, Wolf stepped into the

The principal immediately explained his attitude toward the matter:

"I think something can be worked out for these boyswhether by putting them back in school, or not-so it can be satisfactory to everybody. We all ought to be together on it. I feel that these boys have been punished enough . . . I think the boys have suffered considerable punishment by being advertised, by being out of school, and by the work they'll have to make up."

Principal Wolf, apparently undecided as what measures might be taken to aid the boys in earaing the credits which they would lose by the expulsion, would make no recommendation, such as Nicholson had averred would be made. Pleas Presented For Reinstatement

Mr. Nicholson explained that he "did not want to wrangle with the board, but to see what could be done."

"Does the board want to change its action on the approval of Mr. Wolf here tonight," asked Chairman H. H. Olinger, "or does it want him to do something else?"

The question went unanswered. Strong plea for reinstatement of the boys, that as future citizens their education might not be stopped, was voiced by Fred Jobelman, 343 % North Commercial street. He threatened to hold a (Turn to page 2, col. 4)
