333 STATE ST.

PUBLIC'S INTEREST IN PROTECTING ITS HIGHWAYS "USER'S" AND "PUBLIC'S" RELATIVE CONTRIBUTION TO RURAL HIGHWAY COSTS IN THE UNITED STATES FROM 1923 TO 1930

Earth Grade 441 Miles

4,205 Miles For these 4,205 miles of highway we have paid \$154,-157,000, or an average of close to \$37,000 per mile. TAXPAYERS BEWARE!

If the transportation companies who own and operate huge trucks and busses are to be left free to monopolize our highways and, through their regular night and day service, shorten their life, who is going to provide the funds for their reconstruction? Isn't it about time the people were giving a little thought to the subject? These highways were built for the accommodation of the masses. It was never intended that they should be turned over to transportation companies operating for a profit,

and many more Be back in 30 days	and many more Be back October 31

On May 22, we remove the extra charge for including California in summer roundtrips East. Then from this city and most western Oregon and Washington points you can visit California on your way to and from the East for not le more fare than the lowest roundtrip direct East and back.

Here's what this means in dollars and cents: Last year the roundtrip fare to New York through California was \$169.70. Beginning May 22 this fare will be cut to \$135.12 for the season roundtrip (\$119.77 for a 30-day roundtrip)—and at either fare you can visit California on your way to or from the East.

Stopover anywhere in California, then take your choice of Southern Pacific Routes to the East. Return through California,

or by any northern line-or reverse the order.

If your destination is New York, choose Sunset Route via New Orleans, and include the delightful ocean voyage to New York. Berth and meals on steamer are included in rail fare.
