

# Baseball Double Header Today; Finnegan Meets Elliott

## BEARCATS BEAT WILDCAT SQUAD

### W. U. Meets Albany 2 p. m., Followed by Salem High Vs. Rooks Contest

Andy Peterson hurled three-hit ball and acquired that shutout has been working for all season, while the Bearcats were beating Linfield 8 to 0 on Olinger field Monday afternoon.

Today a big double header baseball program is offered. Willamette playing Albany college on Olinger field at 2 o'clock and Salem high meeting the Oregon State Rooks immediately following. Both games should be well worth seeing. It will be the local fans' first opportunity to see George Erickson, Willamette's freshman hurled in action. He blanked the Pirates in a previous game but may not be so fortunate today.

The Rooks have one of the best teams in years, and several weeks ago took the measure of Salem high, but Johnny Perrino was not at his best that day, having pitched two days previously. The red and black aggression was not at the time well organized, and it should do better today.

Linfield moundsman is also effective.

Peterson struck out ten men Monday. One of the hits against him was extremely scratchy, being a pop fly in the infield which occasioned a mixup of fielders. One Wildcat reached third base on an error, but a double play stopped that threat.

Dalley, Linfield moundsman allowed few hits in the early part of the game but his control was not of the best.

Gribble starred at bat for Willamette, getting three blows including a homer in the seventh.

## MEETS OTHER HANDSOME BOY

It's an interesting speculation—will the feminine fans at tonight's match root for their new favorite, Pat Finnegan, and his curly locks, or for Harry Elliott, shown above, who has been the object of their admiration on numerous occasions in the past, both as referee and grappler. They're the principals in tonight's main event.

## Bearcat Trackmen Await Meet With Teachers on Thursday; are Improving

The Willamette university trackmen are busy preparing for what may be the last home track meet of the season, to be run off on Sweetland field Thursday afternoon against Monmouth normal.

Willamette won from Monmouth in an early season meet, but it was only by taking the relay that the Bearcats pulled through for a win.

Coach "Les" Sparks and his assistant Burgess Ford, are working the men hard to put them in shape for the northwest conference meet in Walla Walla the last of this month.

In the conference meet Willamette's chances for placing in a number of events are good. George Cannady is still conceded a chance to write history in the century at Walla Walla, though he failed to even place in the Pacific meet. George has no allies and is working to make a comeback against Monmouth.

Faber is almost sure to place in the 220 and his chances for a win are good. Willamette is weak draw.

Milo Nelson and Cloyce Grant fought three rounds for a draw. Coy Minnich scored a technical knockout over Dean Cadle in two rounds. Cadle could not return for last round.

Bud Coon and Bill Watson, 3 rounds, draw.

Lloyd Fournier and Bill Cadle fought three rounds for a draw.

Joe Wenger of Dallas won the decision over Glenn Hardman of Independence in four rounds. Harlan Christenson, Bethel, and Bob Campbell, Dallas, fought four rounds for a draw.

Sanford Betts, Dallas, knocked out Fred Fournier, Amity, in the last round of a four round final. Betts staggered Fournier several times in the first round but dropped the second. The third round was about a draw but in the last round, Betts knocked Fournier down three times and the last time was for the count of ten.

## SENATORS BEAT PORTLAND NINE

### 'Squeak' Wilson Hurls Nice Ball as Solons Take 6 to 1 Victory

With "Squeak" Wilson turning in a great performance on the mound and with Dwight Adams playing a sparkling game at first base, Manager "Bury" Bashor's home town Senators won their initial home contest 6 to 1 Sunday from the Multnomah Clowns of Portland.

The Clowns had won four out of five previous starts and had been averaging around 15 runs a game before striking the Solons and Wilson. Wilson struck out 11 batters.

Shirley Brown pitched good ball for them during the first seven innings and Multnomah looked good in the field most of the time. However their so-called heavy hitters were powerless against Wilson's port sided offerings and got only six hits from him, no two in the same inning. Furthermore with better support in one of the fields, a couple of those hits would have been cut off.

The Senators played heads up ball and except for a couple of wrinkles which can be eliminated in a week's practice, looked like a great team. They were able to breach their hits well enough to score six tallies from eight bingles.

Adams pinch hit for First Two Runs

In the third inning Dwight Adams smacked a screaming double to right field, scoring two runs. One more run was scored in the sixth and then in the seventh three hits, by Ashby, Kendall and Rogers, and a walk, brought the other three runs.

The clowns scored in the seventh with a double and an error. Brown lasted until the seventh and then Dieter replaced him on the mound for Portland.

Next Sunday the Senators will play the Eugene Townies on Olinger field. Salem lost to Eugene 4 to 2 a week ago, due to costly errors, and the Solons are planning revenge.

## Yew Park is Defeated by Stayton Nine

Both Salem teams entered in the Mid-Willamette Valley league lost ball games Sunday, but the Salem Pirates' game was not a league contest.

**DALLAS, May 16**—An all-star baseball team nipped out a 7-0-5 victory over the Salem Pirates here Sunday after holding the visitors scoreless for eight innings. Dallas scored early in the game and distributed her 18 hits more than two runs in an inning. The Salem team gathered seven hits for the six runs.

Syron, pitching for Dallas, managed to pitch a shutout until the closing inning when he became wild and walked two men and hit another in addition to yielding several hits. Two of the Dallas also aided the visitors. The Salem outfit had several good chances to score during the game but lacked the power to cross the plate until the rally when the game almost became a real battle.

**SILVERTON HILLS, May 16**—North Howell grange defeated Silverton Hills grange here Sunday at baseball by a score of 9 to 3.

## Jefferson and Brooks are Still Unbeaten; Cascade Contests Mostly Lopsided

### 'Curt' Comments

The Salem Senators made enough from the gate Sunday to pay the umpire and buy a ball—but the ball was lost. The boys didn't complain about the miniature crowd, but played great baseball, assuring a sparkling game next Sunday against the Eugene Townies.

Both Salem and Eugene are playing independent ball this year and a Salem-Eugene contest will mean more to both teams than any other games scheduled.

The failure of one of the regular infielders to show up for the game occasioned a last-minute shift in the lineup and a consequent loss of fielding coordination. Coleman Rogers was shifted from third to second, a position new to him, and Colgan brought in from the outfield to bring third—a loss to the outfield, putting this fleet-footed youngster on a base.

A grounder's a grounder, whether it comes at a man on third or second or any other position, but that's not all there is to playing infield. The throw is different and the technique of covering the bags is still more different. Coleman Rogers knew how to handle grounders at second in Sunday's game and made his pegs good, but didn't cover the bag fast enough on steals. But the Senators will get there, they're a hustling bunch.

A track team cannot be built in one season. At Willamette university there is a splendid team in the embryo stage which Coach "Les" Sparks has nursed along through lean years and has seen grow and develop during the past two seasons. Sparks is looking for high hurdlers, some high jumpers and pole vaulters next season and he will then have a team which will hold its own in this rapidly-improving northwest conference.

The only man he will lose is Don Faber, who is a senior this year. Faber has set the remarkable record of placing in every meet during his four years in college and Coach Sparks estimated that Faber has averaged eight or nine points per meet during that time. He has frequently scored 15 to 18 points in a single meet.

Whitman has won the conference meet for the past four years, but College of Puget Sound is booming stronger now. Willamette probably won't reach third place in the conference, though there is a chance. However, it is not likely that the Bearcats will stay in the cellar again where they dropped last year.

## SPEED ASSURED FOR MAT SHOW

### Ohio Visitor and Eugene's Entry Both Popular and So are Prelim Boys

It'll be interesting to see how the house divides itself tonight at the armory with Harry Elliott of Eugene, an old favorite in Salem, wrestling Pat Finnegan of Springfield, Ohio, a new favorite who has a large following, particularly among the newer grappling fans.

It'll also be interesting to see which of the two will win in this bout which promises to be a speedy one. Finnegan's style of wrestling is speedy, with hold breaking his specialty. His wonderful sense of balance aids him immeasurably in taking the fire out of his opponents' attacks.

Harry Elliott is a speedy versatile muscle mangle who knows the game from A to Z. Elliott has been a grappler and referee for a number of years and is thoroughly schooled in all the crafts of the trade.

His manner of attack is spectacular and he is smarter than the ordinary grappler. Matchmaker Harry Plant believes that Elliott will be able to give the cocky little Irishman a full evening's job in the match tonight.

Turner connected for 13 hits, the visitors 10. Batteries were: Gray Diggers, Russell and Shuls. Brownsville, Tyees, Ushrahmer and McFarland. Umpire Kearns.

**WOODBURN, May 16**—Woodburn's Cascade League baseball team, which had won all its games before, struck a snag Sunday when the locals were smothered by Newberg, the final count being 23 to 2. The game was played on the Newberg field.

**SHAW, May 16**—(Special)—The Shaw baseball team moved a notch higher in the Cascade league Sunday by defeating Sublimity 10 to 6 in a free score game here.

In two weeks Shaw will meet Sublimity on the latter's diamond for a return game in the league. The Shaw battery was Loninger, Amos Barry and Lewis McAllister. "Babe" McAllister was umpire.

**DAYTON, May 16**—(Special)—The Brooks team defeated the local Cascade league entry 11 to 1 here today behind the stellar hurling of Swegle. Brooks has now won three and lost none in the league.

## Electric Rates Hearing Will be Resumed May 24

Hearing of the case involving the rates, charges and practices of the Northwestern Electric company will be resumed in Portland May 24, Charles M. Thomas, state utility commissioner, announced Monday.

The hearing opened in Portland several weeks ago at which time the utilities commission introduced the bulk of its testimony. A recess was taken in order to allow the company's attorneys time in which to examine the state's record and prepare its case.

Thomas said that three or four days would be required to complete the hearing. The case was launched upon motion of the commission.

## Boy Hurt When Car Brakes Fail to Hold

**JEFFERSON, May 16**—Thursday morning an accident occurred at the John Grens ranch south of town. Mrs. Grens and her four-year-old son were ready to come to Jefferson and placed the little boy in the car, and cranked the car. She turned around to talk to her daughter, when the brakes gave way and the car ran down hill, struck a tree, and threw the boy into the windshield, inflicting cuts on his ear and neck.

## CONGRESSMAN HAWLEY'S HOOEY

### It's the most important and constructive piece of legislation ever enacted by congress, which effected the welfare of 17 counties in the Willamette valley and southern Oregon, was that known as the O. & C. land grant bill, which resulted in the reversion of millions of acres to the government and its subsequent removal from the tax roll. The loss of millions of dollars in taxes because such a serious matter that an effort was made in congress to reimburse these counties in an amount equal to what the railroad had been paying. The remedial legislation was passed and upwards of \$9,000,000 has already been spent among these counties and continuing millions of dollars will be paid in the future, until these lands have passed into private ownership and are again placed upon the tax roll. Congressman Hawley in the voter's pamphlet claims credit for this legislation, but what are the facts?

The following is a sworn statement made by R. J. Dooley, clerk of the United States senate committee on public lands, of which United States Senator Stanfield was its chairman.

**MR. HAWLEY AND THE O. & C. LAND GRANT BILL**

Senator Robert N. Stanfield, who was chairman of the public lands committee of the United States senate brought the committee, at the request of Honorable William H. Gore, of Medford to hear about the O. & C. land grant. This hearing was held on September 2, 1925 at Medford.

Senator Stanfield drafted a bill, which was enacted into law without amendment and is now known as the O. & C. land grant tax relief law. Senator Stanfield introduced this bill in the senate February 1, 1925. He then in my presence, asked Congressman Hawley to introduce the same bill in the house so as to expedite the enactment. Congressman Hawley refused to introduce the bill and assume responsibility for it as he had no faith in the passage of the bill there was no precedent for such legislation, but he would introduce it as "by request." Senator Stanfield declined this offer and said such an introduction would be fatal to the bill in the house, for it would be taken up in 1926. He had little faith in the legislation that he wanted the house to know he was only acting in an accommodation manner. Hawley was obstinate.

Mr. McGrichrist of Salem introduced the Scotch Kiltie band and gave a short but instructive talk regarding the native dress of the Scots, including the kilts, bonnets, and bag-pipes.

## KILTIE BAND PLAYS AT BALLSTON MEET

## James W. Mott Leading Republican Candidate

His record, both as a legislator and as Corporation Commissioner, is a record of achievement.

His election will assure to the people of this district active and effective representation in Congress.

**A VOTE FOR ANY OTHER CANDIDATE IS A VOTE FOR HAWLEY**

**JAMES W. MOTT**  
Paid Adv. Mott for Congress Com. Wm. P. Ellis, Chairman

Mr. Stanfield is a candidate for re-election to the U. S. senate; he has proven his ability and as a token of gratitude for services rendered, he should receive every vote from these 17 counties. When a candidate, such as Mr. Hawley, claims credit for legislation in which he refused to allow his name to be attached and in which he had no faith, and subsequently claimed all the glory, the district should not re-elect him to the office of congressman, but should vote for James W. Mott, a man of splendid legislative ability and who represented the state in the house of representatives from Marion and Clatsop counties in three sessions.

W. J. EISHOP.
