

Park Rose Team Medalist in State H. S. Golf Tourney

Willamette - Monmouth Track Meet Scheduled for This Afternoon

MILLIGAN LOW; SALEM FOURTH

Match Play Today; W. Linn Lad's Double Eagle is Notable Feature

Park Rose high school's team made low medal score in the qualifying round of the state high school golf tournament which opened Thursday afternoon on the Salem Golf club course. Hull and Denhart contributed to their team's low score by making the 18 holes in even par figures.

Sid Milligan of Eugene was low individual medalist with a 71, one under par. Eugene high ranked second in the qualifying round. West Linn a close third, Salem an equally close fourth only two strokes above Eugene. Albany fifth, Corvallis sixth, University high seventh, Dallas eighth, Silverton ninth. Silverton was eliminated in the consolation round.

This morning at 8 o'clock sharp, West Linn and Albany will tee off; Salem vs. Corvallis at 8:05, Park Rose vs. University high at 8:10, Eugene vs. Dallas at 8:15.

Based upon the qualifying scores, Park Rose and West Linn should meet in one of the semi-final matches starting at 1:30 p. m. today, and Salem and Eugene in the other. Eugene defeated Salem here in a Willamette Valley league match recently by a narrow margin, and is therefore favorite to repeat if the expected score are any indication.

Finals Saturday—Finals will be played Saturday, 18 holes in the forenoon and 18 in the afternoon. Losers in the semi-final round will also play for the third place trophy.

Consistently good golf with occasional flashes of the spectacular, featured Thursday's medal play. Sid Milligan in conquering Old Man Par knocked over three birds, but the feature performance of the afternoon was that of Wanker, West Linn entry.

Wanker's feat was scoring a "double eagle" or "dodo" on the first hole; he made it in two strokes, three under par. All of the high school golfers were making long drives on the first fairway, aided by firm turf and a favorable wind. Wanker's was a beautiful shot that carried over 200 yards and then rolled about 100 yards more. It wasn't measured, but the hole is 451 yards and Wanker made his second shot, which sank into the cup, with a mashie-niblick. It was the first time this hole had ever been played in two strokes.

Bigger Galleries—Expected for Today—Several of the medal play three-somes had small galleries accompanying them Thursday, and more interest is expected to develop in the team matches today and Saturday. The public is invited to watch the matches and there is no admission charge.

Medal scores were: Park Rose 305; Hull 72, Hoyer 76, Denhart 72, Hunt 85. Eugene 315; Leal 76, Milligan 71, Woods 83, French 83.

West Linn 316; Wacker 83, D. Batchelor 83, Swope 77, L. Batchelor 80.

Salem 317; Groves 74, Vincent 85, Nitter 78, Cline 80.

Albany 319; Williamson 86, McCarty 81, Bryant 82, Patterson 80.

Corvallis 345; Ingalls 78, Lewis 88, Johnson 83, Rogers 93. University high 351; Young 81, Valentin 82, Nombalst 88, Bryson 100.

Dallas 369; Pemberton 81, Bollman 85, D. Cadie 98, W. Cadie 95.

Silverton 387; Cunningham 82, Smith 96, Supper 102, Kleebe 107.

CINCINNATI, May 19—(AP)—Stephenson's single in the 12th, scoring Richburg, gave the league leading Cubs a 4 to 3 decision over Cincinnati today.

It was his second timely hit, both under similar circumstances. With two down in the tenth he snapped out a double, bringing in a run that forced the Reds to the line to equal.

The heavy Red batting punch lost its might before Grimes' split balling. Only Hayes and the big guns could get anywhere. He made three hits, all doubles.

Shut Outs and Home Runs!

By HARDIN BURNLEY

THE GREAT NUMBER OF SHUT-OUTS AND LOW-HIT GAMES THIS SPRING SEEM TO SHOW THAT THE PRESENT BALL IS NOT A "RABBIT"

BUT AT THE SAME TIME... THERE HAS BEEN A BIG SPLURGE OF HOME-RUN HITTING... NOTABLY IN THE A. L.!

THE YANKS MAY BUST THE HOME RUN RECORD THIS YEAR

Q. WHICH major baseball league plays with the so-called "dead" ball?

A. The National League.

Q. What player tied the record of six home runs in four consecutive games before the 1932 season was two weeks old?

A. Bill Terry.

Q. What league is he in?

A. The National. He's with the Giants.

Q. Well, what league started off with a 1-0 shutout before the other teams had a chance to get started?

A. Boston to start the season, and it was a pitcher's battle all the way.

Q. And the American League used a "rabbit" ball?

A. Oh, yes!

The answer, of course, is: "Bah!" As a matter of fact, out of the unprecedented muddle of eleven shutout games in the first

week of the current season the National League, using the "dead" ball, had six. But the question remains, "How did the American League get five?"

The fact is that the first fortnight of the 1932 season threw the extremes of baseball into bold relief. More shutouts than within recent memory, at least. More home runs than in 1930's curtain-raising setoff. And to top it all off, Detroit was leading the junior loop and the Boston Braves were out in front in the National.

Seriously, though, many fans, seeing the home runs before they noticed the shutouts, nodded wisely among themselves and with a "you can't fool me" attitude, insisted that the rabbit had been tucked once more beneath the seams and horsehide in anticipation of renewed fan interest in four-base production.

The magnates haven't admitted this. Those who ought to know

have denied it and wise baseball men reconcile the homers to the shutouts with the explanation that early in the year some pitchers are always ahead of some batters, that some batters are always ahead of some pitchers. Some teams, they claim, are far ahead of most pitchers at times and can elicit out homers at will on certain days. Some pitchers, on the other hand, are far ahead of all batters for stretches of several weeks and can swirl shutout ball while the spell lasts.

And then there will always be the inevitable homers off the bat of Babe Ruth, as long as that portly but extremely agile gentleman can manage to get around.

One thing about a season like this, though. Some fans like to see low-hit games. Others like to see home-run carnivals. Well, so far, there have been plenty of exhibitions of both kinds, so every-body ought to be satisfied.

Mark Sunday, May 22, in your date book. With the storm and strife of politics mere history by that time, you'll be able to give undivided attention to the revival of an ancient feud—Salem Senators vs. Eugene Townies, 2:30 p.m. at Olinger field.

Leslie and Parrish Teams Begin Their Diamond War This Afternoon at Olinger

The annual baseball battle between Leslie and Parrish junior high schools begins today at 3:30 on Olinger field with Sheriff of Leslie opposing Weese of Parrish on the mound.

Verne DeJardin, veteran Parrish catcher and heavy hitter, will not be able to play as he wrenched his knee recently. While this will brighten Leslie's chances it may also serve to cut fire into the Parrish line.

Coach Harold Hauk has a habit of steaming his men up when they are the under-dogs, and a lively contest is likely to ensue. Baseball is the only sport in which Leslie has ever defeated Parrish.

We used to be his team mate, as secretary, and they had us drafted to repeat but our friend Highclimber came to the rescue in our absence and prevented it, we hear. Much obliged, Roy.

Johnny Steelhammer, the beanpole first baseman, was absent from these parts again this week, eastern Oregon. He has been playing with The Daffies team so far this season. Johnny reports that Bend has a big league outfit again.

There's another young man with the outfit we'll be personally anxious to see again—Fred Harrison, who pitched for the Bend Elks a number of years ago when we had something to do with running that team. A doggone good hurler, Freddie, and a colorful athlete. He has a jaw like the late Uncle Joe Cannon. He did some things in baseball and football for U. of O. once upon a time.

They're going to have a league again, too. That will add to the interest and at the same time not be burdensome, as it will be limited to a home-and-home appearance for each pair of teams. George Wilhelm again is president.

State Involved In Condemnation Suit, Gold Beach

Trial of the case involving the condemnation of a small tract of land owned by the Macleay estate company and used by the state of Oregon in connecting up the coast highway with the new bridge at Weddeburn, will get under way within the next few days.

It was announced Thursday by J. M. Devers, attorney for the state highway commission.

CLOSE CONTEST IS ANTICIPATED

Beacrats won First Clash But Margin Slight and May be Reversed

The Willamette university track team will engage Monmouth normal in a dual meet this afternoon on Sweetland field beginning at 3:30. In a previous meet Willamette won 67 to 64, the teachers being in the lead until the relay was run.

The Beacrat track men will be exerting to the limit today in order to make marks which will justify their presence at the northwest conference track meet at Walla Walla the first of June. Only those who have fair chances of placing in their events will be taken to that meet.

The Willamette team has improved markedly since meeting Monmouth before, but Larry Wolf's men have also improved. Greteck on short.

As Sprinter Today
Pete Gretsch, who scored 11 points for the teachers in the first meet, strained a ligament in his leg recently and will not be able to run the 100, which he won before, nor the 200 in which he placed third. Indications are that he will throw the javelin today. He took first in the javelin throw at the previous meet.

Since that meet Russell Doescher has been working on the javelin and took third in the Pacific meet with a toss of 150 feet 10 inches. If he can get up to 160 feet before the conference meet, he will be taken along for that event.

The complete entries of Willamette for today are:

100—Cannady, James, Faber and Hamilton.

200—Faber, Cannady and Walker.

400—Bishop, Hatten and Nutter.

Half—Kaisler, McCullough, Barnett and Ney.

800—Cook, Adlard and Mealey.

1200 high hurdles—Larnard and Paul Carpenter.

220 low hurdles—James and Larnard.

Pole vault—Dean and Faber.

High jump—Sherwood, Larnard and Connors.

Shot put—Connors, Boyd, Dietsch and Grannis.

Discus—Connors, Fantz and Boys.

Javelin—Doescher, Boyd and Sherwood.

Broad jump—Sherwood, Paul Carpenter and Erickson.

Relay team—Kaisler, McCullough, Bishop and Faber.

So far as local fans watching the Washington scores for Maple's name have noticed, this was his first appearance in a league game. He was scored to Washington in the Three I league early in the spring.

SACRAMENTO, May 19—(AP)—Tony Freitas, Solon southpaw, pulled the Sacs out of their losing streak again to hurl the first win of the series over Seattle here tonight, 4 to 4. The Sacs have won two games in the last ten and Freitas won them both. He fanned 11 Indians tonight and held them to seven hits. He was in trouble in the first and eighth when three bingles were bunched, Wetzel hurried for the tribe and got off to a bad start but later settled down.

Tom Wolgamott to Head Willamette Golf League; 1933 Program Proposed

Tom Wolgamott, vocational instructor at Salem high school, was elected president of the Willamette Golf league for the ensuing year at the meeting of the league held at Salem high school Thursday night. Other officers chosen for the coming year were Harold Elkins, Eugene high, vice-president; James W. Manning, Silverton high, secretary-treasurer; James A. Howard, West Linn, state tournament chairman. All of these three officers are minor sport coaches at their respective schools. The retiring officers are: James W. Manning, Silverton, president; J. A. Howard, West Linn, vice-president; James D. Miller, Woodburn, secretary-treasurer, and Tom Wolgamott, state tournament chairman.

Eugene high school was awarded the league cup as the 1932 champion of the Willamette Golf league. Salem and Park Rose high schools were the runner-ups for the championship. The main business of the meeting was devoted to the discussion of plans for next year. J. A. Howard of West Linn will select the place for the 1933 state tournament and his decision will be announced in the near future. The state tournament will be held one week earlier next year as these dates will fit in better with the school's program.

The league this year has been divided into three sections, but next year it will probably consist of two sections; a northern and southern division with six schools in each section. The secretary-treasurer next year will also be a traveling representative of the league, further to promote and establish golf as one of Oregon's leading high school sports.

STATE LEAGUE IS ORGANIZED

Six-Club Circuit Formed, Ten-Weeks Schedule Will be Played

ALBANY, May 19.—(Special)—The State League of Oregon, to be composed of independent baseball clubs of Albany, Bend, Salem, Eugene and Portland, was formed at a meeting held here last night.

George Wilhelm of Eugene was elected president of the new circuit, and Roy Brooks of Portland was named secretary. Two teams from Portland, the Pacific Outfitting company and the West Side club, will be in the league, together with the teams representing the four other towns.

A 10-game schedule will be played, each team meeting every other club twice during the season. The opening will be played June 5 and the season will be ended August 14. Following the close of the regular schedule a three-game series for the championship will be played by the two teams holding the top places in the standings.

Prominent baseball men from this part of the state were present at last night's meeting. Frank Nelson and Frank Bashor represented Salem, Ray Brock and Harold Repp were here from Portland, Don Husband and Roy Craft attended from Eugene and Clyde Rupert and Bill Wilkinson spoke for Albany. The Bend manager was not present at the meeting, but was consulted several times during the course of the meeting by long distance telephone.

Player restrictions were also agreed upon. No team in the State league will be allowed to sign more than 20 players, and no players will be registered after July 31.

The complete schedule follows: June 5—West Side at Bend, Salem at Eugene, Pacific Outfitting at Albany.

June 12—Pacific Outfitting at Bend, West Side at Salem, Eugene at Albany.

June 19—Salem at Bend, Pacific Outfitting at Eugene, West Side at Albany.

June 26—West Side at Eugene, Pacific Outfitting at Salem, Bend at Albany.

July 10—Pacific Outfitting at West Side, Albany at Salem, Eugene at Bend.

July 17—Eugene at Salem, West Side at Bend, Pacific Outfitting at Albany.

July 24—Albany at Eugene, West Side at Salem, Pacific Outfitting at Bend.

July 31—West Side at Albany, Pacific Outfitting at Eugene, Bend at Salem.

August 7—West Side at Eugene, Pacific Outfitting at Salem, Albany at Bend.

August 14—West Side at Pacific Outfitting, Salem at Albany, Bend at Eugene.

BIG PERCENTAGE IS LEARNING TO SWIM

The percentage of boys in the Learn-to-Swim campaign who actually did learn to swim was higher this year than in the past, R. R. Boardman, Y. M. C. A. physical director, announced yesterday. Of 141 school boys taking the two half-hour classes, 82, or 58 per cent, passed the 50-foot swimming test. The percentage previously ranged from 40 to 45 per cent.

The second classes for girls will be held at the Y. M. C. A. today. On Monday the classes for junior and senior lifeguards, and adult beginners will be started.

Registration of boys by schools was as follows: Highland—19, Richmond eight, Park 13, Garfield nine, Washington 10, McKinley nine, Lincoln 10, Englewood 15, Grant 10, Leslie 15, Parrish 11 and St. Paul five.
