(Continued from page 1) was running third with 1037 votes, Roy Melson of Salem coming second with 1065. John Porter, incumbent commissioner, stood fourth in the race with 933 votes to his credit while Ed A. Jory was fifth with 738 ballots to his name. In the incomplete returns from Salem which came Friday night, Melson was a decided favorite and he was expected to regain much of his strength as the 15 city precincts from Salem tallied their heavy ballots. Melson may yet outdistance the field.

For county coroner, the commanding lead of L. E. Barrick made on the incomplete returns of Friday night, had been cut down as 44 precincts filed their final votes but he was leading Lloyd Rigdon, incumbent, 2312 to 2219, as the totals came in. Mrs. Mildred Robertson Brooks was ahead two to one of F. Howard Zinser, leading 2051 to 1661 on 44 precincts complete.

Oscar D. Steinhilber had a majority vote in a field of three for assessor. His count in 44 complete precincts was 2630. Lane Morley had 1535 and Ben F. West 993.

Oscar Bower had a comfortable margin for sheriff with 2122 votes to his credit with Charles Ratcliff running hard with a 1832-vote total. Hugh Gearin with 525 votes and Joe Williams with 689 votes trailed the two leaders.

### MARTIAL RULE IN OKLAHOMA ENDED

OKLAHOMA CITY, May 20.—(AP)—Ending abruptly almost 9 months of military prorotation in Oklahoma oil fields, acting Governor Robert Burns today revoked the martial law order issued last August by Governor W. H. (Alfalfa Bill) Murray. Burns declared the order was "illegal and should not be in effect." "I am under oath to support the laws and the constitution the same as Governor Murray," he said.

Murray, his cousin, who has been in charge of military prorotation with the governor. Advised in Hudson of Burns' order Governor Murray remarked the lieutenant governor was "just a damn fool." ### WATSON TOWNSEND WILL QUIT COUNCIL

(Continued from page 1) specific program expensive and inadvisable, Townsend took an active part in getting a number of men to run for alderman in Friday's elections. His candidates are known to have been anti-Gregory and pro-McKay men.

Opposition to Townsend's work is thought to have developed with Gregory's leaders and his newspaper backers who are reported to have carried their troubles to Governor Julius L. Meier. While Leslie M. Scott, chairman of the state highway commission, put the taboo through Baldoock on further political effort by highway employes, it is thought that the administration urged the action on the commission.

While a resident of Omaha, Nebraska, he served for one term of three years as city engineer.
