Final School Day Is Occasion for Picnic for Zena

ZENA, May 24 — The last day of school at Zena was celebrated with an all day picnic at the local schoolhouse Friday. Miss Lillian Reynolds, the teacher, has just completed four years teaching here.

Residents of this valley witnessed a thrilling sight when the Akron, largest dirigible in the world flew over here at half-past five Tuesday morning on her non-stop flight from Sunnyvale, Calif., to Portland. The morning was clear and the graceful craft was visible for many miles as she lazily floated at a low altitude along the Willamette river.

BROWN IN HOSPITAL. WAONDA, May 25—Karl M. Brown who operates a service station and garage here, was removed to a Salem hospital Saturday, where he is receiving treatment for an abscessed ear. Last reports were that his condition was not much improved.

VITAMIN B IN BRAN. RESEARCH REVEALS

Also Has "Bulk" to Further Assist Elimination, and Iron for Blood

One of the functions of Vitamin B is to help tone the intestinal tract, and promote elimination. Now, laboratory experiments show Kellogg's ALL-BRAN contains this valuable vitamin.

In addition, ALL-BRAN brings a plentiful supply of "bulk" — which provides the "ballast" needed to exercise the intestines.

This "bulk" in ALL-BRAN is similar to that of lettuce. Inside the body, it is different from the way you see it in the package. It absorbs moisture, and forms a soft mass which gently clears the intestines of wastes. Special cooking processes make ALL-BRAN finer, milder, more palatable.

Another healthful element brought by ALL-BRAN is iron. Tests show this cereal has twice as much usable iron as the same weight of beef liver.

Check common constipation — with its frequent headaches, loss of appetite and energy — by eating this delicious cereal. How much pleasanter than taking pills and drugs — so often habit-forming.

Just eat two tablespoons daily — sufficient to overcome most types of constipation. If your intestinal trouble is not relieved this way, see your doctor.

Appetizing recipes on the red-and-green package. Made by Kellogg in Battle Creek.
