Whitman Wins First Game of N. W. Title Series 7 to 1

Shares First Day's Mound Trick With Erickson: **Bobbles Costly**

WALLA WALLA, Wash., May 26-(Special)-Though outhitting the Missionaries, the Willamette university baseball team was defeated by Whitman here today 7 to 1 in the first of a three game series for the Northwest conference championship. Eight errors contributed to the Bearcats' down-

Finding his team considerably behind in the fifth inning, Coach year olds and up, to the speedy "Spec" Keene of Willamette took clip of :51. Webb did his own Andy Peterson out of the box and sent in George Erickson, planning to pitch Peterson again Friday full length ahead in the 3-4 mile and Erickson Saturday.

Peterson who moved to the outfield after relinquishing mound duty slammed out a home run with the bases empty in the seventh inning for Willamette's only run. Clow, Missionary southpaw, scattered the remaining hits among as many Bearcat batsmen.

Despite today's defeat the Willamette team is still hopeful of capturing the series behind the same two pitchers in the remaining pair of games. They figure they have all their errors for the week out of their systems and expect to do more effective work at the plate against the remaining Whitman hurlers.

Today's defeat was the first Northwest conference loss charged against Peterson in his three years of mound work.

Our Platform, for Today: "Back drops" simulating crowds to drape over empty bleacher seats at Coast league ball games,

-0-It was rather a dark picture early Thursday night from Walla Walla concerning that first Wilreceived a more hopeful one from our special correspondent along with the Bearcat team.

We might have believed Andy Peterson was "knocked out of the box" as the story said, except that there were only seven opposing hits for the entire game, which doesn't look as though Andy could have blown up very badly.

But when the story said "Peterson scored the losers' only run in [the seventh when his single to left went through Earnest and was lost in the grass," we saw a great light. That couldn't have been anything but a home run that somebody was trying to talk Andy out of.

The Associated Press is the most reliable news service in the world, but it's no more re-liable than its sources; and in this case its source must have been a rabid Whitman partisan.

Some nice horse races out at the fairgrounds yesterday, and they're expected to be even faster today and Saturday. Better not miss them if you're a race fan.

Parrish and Leslie ball teams will fly at each other again this afternoon at 3:30 on Olinger field. If Parrish wins the big play mighty good ball for their ages and with big crowds of partisans rooting for each team, it's a worth while spec-

Oregon horses showed up well in the opening horse races at the state fairgrounds Thursday, losing only twice to California. E. A. Lytle's horse Marie Ashton brought Salem first place in the 2, 3 and 4 year old running race.

Arlie Webb of Red Bluff, Cal- p. m. ifornia, a newcomer to the Salem track who brings a totally new string, showed the worth of his horses by winning two of the running events.

His horse Miss Cop won the half mile running race for four clip of :51. Webb did his own jockeying and brought his horse Ripfield across the finishing line a run. Webb was on A. H. Baber's horse Liberty Belle in the other run, but remained at the wire when the other horses got off to a big start on him.

Alta Mack, owned and driven by J. W. Merrill of Portland, won the opening harness race of the day, clipping off the half mile in 1:10.5. Two Canby horses won in the other harness races.

J. P. Smith's Cinco Girl crossed the finish in the lead in one of these events and Otis Hewitt's Linnie Olive D led the field at 1:-8.5 in the final harness race of the day.

Welty's pony teams gave running exhibitions before the grandstands and met with much applause. Silver Moon and Honey Moon led the procession with Madam Queen and Ruby Taylor coming next and Lady Helen and Lady Audrey stepping daintily in the rear. Welty's famous jumping horse Red Comet did not perform yesterday, but is on the program for today.

John Zumstin's rough riding on Colee met with the crowd's approval. The horse Colee is a beautiful black and Zumstin's trick riding stunts were well executed.

Red Rupert's Youngster is Big gun of Linn Team Which Wins 6-4

Baden Rupert, son of "Red" Rupert the veteran baseball strategist of Albany, was very much in evidence as Albany high school's baseball team defeated Salem high 6 to 4 on Olinger field Thursday afternoon. It was the first time Albany high had beaten Salem high in any major sport in the last three years.

Young Rupert held the local boys to seven hits and poled out a couple himself that meant runs when they were needed. Don Sugai, hurling for Salem, held the two runs in that inning.

Both Sugai and Rupert were innings but the Albany boys smacked Sugai's offerings in timey fashion for three more runs in the seventh and one in the eighth, Broeklyn 3 while Salem's rallies were nipped in the bud. A three-bagger by Pickens, previously not a heavy hitter this season, was responsible for one of the runs which gave Salem an early 3 to 0 lead. Van Cleave led off another rally in which he and longed slugfest in which each side Scheibner scored the first pair of used four hurlers. Hurst and Lee
