land, Umatilla county, Portland, Salem, LaGrande, North Bend, ings. Bend Bulletin, and Astorian-Budget pledged support in opposing the consolidation move, Similar of commerce. Declares Farmers

Also are Opposed

Eugene discussed the effect the age accounts. proposed measure would have

upon the communities affected. Senator H. C. Wheeler of Lane Herriot Pledges county, who said he voiced the farmers' attitude, said the measure would "side-track" those courses now conducted at the college which are of particular interest to the farmers. He also recalled that at the last session of the state legislature Benton county representatives told of overcrowding at Corvallis and urged enlargement of accommodations. The meeting adopted the fol-

lowing resolution: Whereas, the proposed initiative bill of the Marion county league purports to be a bill to simplify the educational structure of Oregon and reduce expenses.

and Whereas, in reality the bill does not do this but moves the university bodily to Corvallis, moves the law school to Salem, moves the normal schools bodily to Eugene, scraps the entire plant at Monmouth, demands the creation of new and expensive junior colleges at LaGrande and Ashland to replace going normal schools, and

Whereas, the scheme involves millions in losses on abandoned properties and millions of new capital outlay to accommodate transfers to the Corvallis campus,

Whereas, the bill fails of its pretended purpose as an economy measure by the fact that it does prove any plan for doing so, and

Whereas, the scheme calls for rested late last week. the abandonment of the program which the state board of higher education has worked out after three years of study at a saving poration. He met Frank Keller in
