The great organization Mr. Firestone has built—every employee a stockholder—takes a greater interest in building the best tires that can be made because they know

that every tire bears the name "Firestone", which is a guarantee of superior quality and workmanship.

Drive in today and compare sections cut from Firestone Tires and others. See for yourself the Extra Values you get in these safest tires, at prices lower than they have ever been before.

These Extra Values in Firestone Tires cost you no more than ordinary tires.
