

### CHURCH SOCIETIES PLAN FOR GRANGE

#### Two Groups Will Serve Meals Each day During State Convention

SILVERTON, June 2—Trinity Ladies' Aid society met Wednesday afternoon in the church social rooms for its regular meeting and to make preparations for the dinners and suppers to be served here during state grange. Trinity Dorcas society were guests of the aid society as the former will assist with the meals to be served.

The members of both societies have been divided into five groups with 26 in each group. Each group will care for one day. Mrs. M. G. Gunderson, who has been acting as general chairman of the arrangements, will be in charge of the first day with those whose names begin with the letter of the alphabet ranging from A to F. Mrs. C. L. Foss will be chairman of the second day with a part of the F's and to the I's. Mrs. Hans Jensen will take the third day with the letters from I to M. Mrs. O. T. Ombrecht will be in charge of the fourth day taking the letters from M to R. Mrs. B. Storie will be chairman of the last day taking the remainder of the alphabet. Two meals will be served each day.

It is understood that three other Silvertion churches will also serve although they have not officially announced their intention. The Christian church, the Immanuel church and the Methodist church are those who are discussing serving. Decisions will be announced by the close of the week. All of these churches are in close to the Eugene Field auditorium where the grange meetings will be held. The Methodist church is but three blocks away. The Christian church is but half a block and a half distance. The Immanuel church is situated on East Hill but has discussed the possibility of renting a downtown hall for the purpose of serving during the grange convention.

The prices of the meals have been fixed, by the chamber of commerce. The purpose of this was so that the church societies would not compete unfairly with the local restaurants but would simply help to care for the extra large crowds which will be present during convention week. The prices will be very reasonable, Earl J. Adams, president of the Silvertion chamber of commerce, has said.
