Pattern

By ANNE ADAMS
A feature that will flatter the most difficult face and figure, is the cape collar. Note how slim the waistline appears below it, and how becoming the neckline. The skirt flares, too, is attractive. In its scalloped joining, this model will prove a delight to the novice. It is so very easily made. Printed georgette, chiffon or lawn will prove effective. The ribbon sash is smart.

Pattern 2345 is obtainable only in sizes 16 to 20 and 32 to 42. Size 16 requires 3 7/8 yards of 30-inch fabric.

Send fifteen cents (15c) in coins or stamps (unless preferred) for each pattern. Write plainly your name, address and style number. Be sure to state size wanted.

Your summer wardrobe can be planned easily and inconspicuously with the assistance of our current 32-page fashion catalog. The best of the season's afternoon, sports and evening frocks, blouses, dresses and kiddies' models all personally chosen by Anne Adams, are made available through this beautiful book. Send your copy today. Price of catalog, fifteen cents. Catalog and patterns together, twenty-five cents. Address all mail and orders to Saks Fifth Avenue Department, 245 West 17th Street, New York City.

which are now good. Last of all lay down Z's card of the suit of which he retains only one card. In case B refuses to discard on the first diamond led from Y, he will trump and Z will overtrump. The next two tricks will be won by Z's 3 of spades and 10 of clubs. Y will trump a low black card led by Z. The fifth trick will be won by Y's Q of diamonds. Y's lead of his last diamond will be ruffed by Z and undertrumped by A.

The answer is that six tricks can be won against any defense by A-B. The method of play depends upon what B does on the first lead by Y. First we will assume that B discards. In that case play will go as follows. Lead a low diamond from Y, trump with Z's 10 of hearts. Lead back Z's 7 of hearts. Y will win the trick. Lead Y's Q of diamonds. If B discards a black card upon the first lead of diamonds, he must now discard another black card, leaving either a single spade or a single club in his hand. Discard from Z the losing card of the suit of which B has two cards. Lead from Y the suit of which Z has two cards, both of

There is no trump. Y is to lead. What is Y's best lead, and what is the best defensive play by A-B? The solution will appear next week.

All these End Play Problems are supposed to be played with all hands exposed to the view of all players, so that each may make his best play.

Are you hand-capped at the office?

To put in a full day's work, you need a full man's strength. A man, half-sick from constipation, has less chance to succeed in today's keen competition.

This insidious condition often causes headache, loss of energy, sleeplessness. It takes the edge from your working hours.

Laboratory tests show Kellogg's ALL-BRAN supplies "bulk" to exercise the intestines, and Vitamin B to tone the intestinal tract. ALL-BRAN also has iron for the blood.

The "bulk" in ALL-BRAN is similar to that of lettuce. Within the body, it becomes a soft mass, which gently clears the intestines of wastes. How much better than using pills and drugs—so often harmful.

Two tablespoonfuls daily will correct most types of constipation. ALL-BRAN is not habit-forming. If your intestinal trouble is not relieved this way, see your doctor.
