Mrs. V. S. Hanft wins seven first places and three second places at State Fair for jelly made with . . .

PEN-JEL

Mrs. Hanft of Columbus Junction, Ia., attributes her success at the Iowa State Fair in Des Moines last year to Pen-Jel. She entered 10 glasses of jelly and won 10 awards. In seven other fairs in which Mrs. Hanft's jellies were entered, prizes were also awarded her.

She says, "I am going to enter all these fairs again next year and I am going to use Pen-Jel again. It certainly makes jellies and preserves the right consistency if made according to the directions on the Pen-Jel box."

You can have just as fine jellies, jams and marmalades for your own table! Make them yourself (even if you've never tried before) with Pen-Jel and be sure of success!

Try Pen-Jel, a pure fruit pectin, with cup-for-cup method, one recipe for all fruits or berries, judge yourself what a difference there is in Pen-Jel jellies.
