RESERVATIONS POUR IN FROM GRANGERS

Hubb Says Silverton Able to Accommodate all who Plan to Come

SILVERTON, June 8—Registrations and requests for reservations from grange members who plan to attend the state grange convention are fast coming into the office of George W. Hubb, city recorder and also secretary of the Silverton chamber of commerce. The requests for reservations have been coming in for over a week, most of the requests being for accommodations in private homes.

Mr. Hubb says he has no fear whatever that Silverton would

not be able to accommodate all of the grange visitors very nicely. Societies of Silverton churches are assisting in caring for the question of meals and are serving during convention days. Besides these Silverton has seven eating houses.

Vehicle Bill Up
The discussion on appealing the wholesale vehicle ordinance from the books was discussed at the June meeting of the city council. Council members reported that at present it was unfair as the required fees were paid by some and others persistently avoided them.

The matter of appealing the ordinance or retaining it as part of the city laws was placed in the hands of the judiciary committee and the report from this committee will be acted upon either at a special meeting or at the regular July meeting.

STASEK CONTRACTS TIMBER TO MILLS

RIVERVIEW, June 8—A Stasek of Scio has contracted much of the white fir timber in this vicinity and now has several wood cutters working it up for the paper mills.

Wilson Young sold his farm here to Mr. and Mrs. Frank Shinn, who took immediate possession. Mr. Reidster is caring for the garden on the William Brainer place which Mr. Shinn has rented.

The Farmers' Union of Marion and Riverview locals will hold a picnic Saturday at Green's bridge. The camp at Mehama where Al-

fred Sherman is employed has closed for the summer and Sherman has returned here to complete his new home.

Marjorie is the name given the baby daughter born to Mr. and Mrs. J. A. Hrudka May 28, at their farm home here. A baby son was born to Mr. and Mrs. Joe Frokop at the home of Mrs. Anna Hespelt in Scio May 31. The baby has been named Jimmy Lee.

United PURITY Stores

Who Will Pay the Price?
The foreign owned chain store has no interest in your town and its welfare beyond draining it of its wealth. After the growth of the community is stopped and its prosperity is gone it moves to a fresh field of exploitation. But you, as a citizen, will pay the price in lowered income. The fact is every citizen pays in one way or another. And this is all done for the benefit of foreign chain operators with headquarters in some distant city. When you consider quality, honest weight and service given, you buy more economically from your PURITY merchant. By trading with him you help to uphold your own community. Trade with business that helps to keep up the town's payrolls. Your independent Purity Grocer is one of them — trade with him, it will mean money in your pocket.
