

CHILDREN'S DAY EVENTS SUNDAY

Younger Persons to be Honored in Song and Poem At Many Churches

Children's Day will be observed in several Salem churches today, with special programs outlined for either morning or evening service.

At 8 o'clock at the First Evangelical church, the entire evening worship hour will be given over to songs, readings and skits by and in honor of children.

At the Court Street Christian church, the new pastor, Rev. Hugh N. McCallum, announces a children's program at the regular Sunday school hour, 9:45 o'clock, and at 11 o'clock Rev. McCallum will develop a theme appropriate to the earlier program, "Rearing Children."

Jacob Lee Memorial Methodist church will observe a combined children's day service of the church and school at 10:45 o'clock, with each department contributing recitations, songs and exercises. A special feature will be a short drama written by Mrs. E. W. Cole and presented by junior members of the daily vacation bible school.

All the Baptist churches will honor Children's day. Program at the Temple Baptist will be at 9:45 o'clock; at the First German Baptist the program will be at 8 o'clock Sunday night; at the First Baptist at 9:45 o'clock; and at Calvary Baptist at 10:20 o'clock.

The reformed church's program for the occasion will be held at 11 o'clock tomorrow morning, with special music by the choir and male quartet also announced.

Children of the First Christian church Sunday school will present their annual program Sunday night at 8 o'clock, with all departments of the bible school to participate in the varied entertainment.

The Sunday school members of St. John's Lutheran church will hold a picnic Sunday afternoon in Wendland's grove.

COUNCIL PRESIDENT TELLS OF PROGRAM

A glimpse of the work done by the Marion county Sunday school council of Christian Education is contained in the following statements from the president, Fred DeVries of Pratum:

"Since Oregon has no general secretary to supervise the work of the state, Marion county council works as a separate unit, is not receiving help from the international council and is not supporting it in any way. County and district council officers receive no financial return, but travel hundreds of miles each year in the interest of the Sunday school work in the county at their own expense.

"All that is asked is a small contribution from each Sunday school, from a dollar to five dollars a year, according to size and number of children, and at the school fair. This year, the council will add 1000 copies of John to the supply of literature as soon as funds for such are received. Hayesville district is still at the head of the list with the largest number of Sunday schools and also with the largest contribution paid \$5.

"Much more can be done, for wherever we go, we find people whose hearts are in the work. So, depression or no, the work of the council is going forward promoting sound scriptural doctrine."

Strawberries Drawing Card For Lutherans

The Luther league of the American Lutheran church here will entertain other Leaguers of the Columbia district Sunday afternoon at Hager's grove with a strawberry festival, to which all young people of the church and interested friends are invited.

Transportation from the church will be provided at 3:30 o'clock. Donations will be held at 6 p. m. at the grove, with officers of the district assisting the local pastor, Rev. P. W. Erikson, who will be the leader.

In charge of general arrangements for the picnic are Harold and Mildred Toelle.

FRIENDS SUPPORT PROHIBITION LAW

NEWBERG, June 10—Oregon Yearly meeting of the Friends church, in its 40th annual session here, put itself squarely behind the repeal of the Eighteenth amendment and supporting legislation. Recognizing the evils that exist today through disobedience to law and failure of perfect enforcement, we recall that laws for the control of the liquor traffic have always been largely defied and disobeyed, and have in many places been inadequately enforced, and sometimes disregarded by officers of the law. The evils of the present situation are not due to prohibition but to the same lawlessness which has always been attendant in the liquor traffic.

"We urge the president of the United States and his cabinet, our representatives in the house of representatives and the senate of the United States, to stand true to our ideals of law and justice, to resist all efforts for the repeal of the Eighteenth amendment and its supporting legislation."

Vigorous resolutions were also adopted calling on the membership of the Yearly Meeting residing in Oregon, as well as their friends of good government, to rally to the support of Oregon's Bone Dry Law and promote the defeat of the efforts of its repeal.
