IT'S PAPA WHO PAYS!

by JIMMY MURPHY
Registered U. S. Patent Office

TO MY LITTLE READERS:-
Thousands of children have written to me for back-numbers of the Toots and Casper Comic Cut-outs. I cannot supply back-numbers because I haven't any, BUT to accommodate the children I will soon start printing NEW cut-outs of Toots, Casper, Buttercup, and the rest of my characters. I am giving advance notice of this so ALL children can prepare to save ALL of them. I want ALL of my little readers to co-operate with me. I want each and every one of you to tell FIVE other children to watch for the new cut-outs. They'll want to save them, too. Talk to them; write or phone them but BE SURE TO TELL FIVE OTHER CHILDREN ABOUT THIS. Promise me that. Tell your relatives and your neighbors to also save the Toots and Casper page for you each week so you'll have several copies of each cut-out in case you accidentally tear or wear out any of them.
Yours in fun, JIMMY MURPHY
