

HAWLEY PLANS VOTE CONTEST

Requirement of Personal Appearance However May Prevent it

(Continued from page 1)

later than Saturday night of this week.

The canvass shows that Mott, state corporation commissioner, defeated Hawley by 238 votes.

There were 23 scattering votes in this contest. Mott received 30,953 votes, Hawley 30,714, C. C. Hulet 10,831 and Emmett Howard 6362.

In the democratic contest for representative in congress for the first district Harvey Starkweather defeated William A. Deisell by 15 votes. Starkweather received 12,142 votes and Deisell 12,127 votes. There were 81 scattering votes.

The law provides that a recount shall be requested within five days after the official canvass is announced by the secretary of state.

The results in the various contests, as contained in the official canvass, are virtually the same as published when the county returns were received at the state department two weeks ago.

EVACUATION URGED UPON BONUS ARMY

WASHINGTON, June 23—(AP)—Vanishing food stocks and diminishing funds to buy new supplies led police tonight to appeal again to the veterans' army seeking bonus payment to expedite an evacuation of the encampments.

Funds which a week ago totaled \$12,000 had dwindled to less than \$3,000 and contributions which were once received at the rate of \$1,000 a day were less than \$150 today.

Pelham D. Glassford, police superintendent, urged in a formal statement that the veterans return home to "fight for their political interests at the polls."

He added that the bonus would not be paid and the federal government shows no intention of taking cognizance of their presence in Washington.

The exact number now in the capital could not be determined, police said, adding that those leaving "far exceeded arrivals."

CANZONERI FACING PETROLLE THREAT

NEW YORK, June 23—(AP)—Tony Canzoneri, most active of all the ring champions since he won the lightweight title from Al Singer in 1930, today signed to fight the most formidable challenger he has yet met, Billy Petrolle, of Duluth, Minn.

The fight will be for 15 rounds in Madison Square Garden bowl August 8.

The two little ring warriors, the most earnest and crowd-pleasing fighters in any of the divisions, met once before, in 1930, Petrolle giving Tony an artistic lacing in 10 rounds.

Canzoneri has defended his title twice against Jackie "Kid" Berg, the Englishman, knocking out the Whitechapel whirlwind in the 7th round in April, 1931, and winning the decision in a return engagement last September. He defended his crown against Kid Chocolate, Cuban negro, in a slambang battle last winter.

NEW JERSEY POLICE "ON TRIAL"

GOVERNOR HARRY A. MOORE. COL. SCHWARZKOPF

Owing to the storm of criticism raised by the English press following the suicide of Violet Sharpe, maid in the home of Mrs. Dwight W. Morrow, at Englewood, N. J., the British Government is requesting Washington to conduct an investigation into the charges that the girl was driven to her death by the brutality of New Jersey State police inquirers. The British press has been very bitter in its condemnation of "brutal American police methods," but the facts do not support any such charges. Governor Harry Moore of New Jersey, who has kept in close touch with the Lindbergh case, has investigated the allegations of third degree cruelty that have been leveled against Colonel Norman Schwarzkopf, head of the State Police, and his colleagues and declared that he found no basis for the charges. With every sympathy for the girl, who, though apparently innocent, committed suicide rather than face further questioning or longer endure the strain of suspicion, it ought to be made clear that her repeated interrogation was the result of the doubt she raised in the mind of the police by her evasive replies when first questioned on her whereabouts on the night of the crime. As for brutality, it is a matter of record that Miss Sharpe was treated with the utmost circumspection, out of consideration for Mrs. Morrow, who had reiterated her confidence in the girl's innocence on many occasions. Colonel Lindbergh himself was present once when she was questioned and it is unthinkable that he would permit any of the rough stuff hysterically ascribed to the investigators.

The Call Board

By OLIVE M. DOAK

- WARNER BROS. ELSINORE Today—George Grant in "Weekend Marriage"
- THE GRAND Today—Will Rogers in "Lightnin'"
- THE HOLLYWOOD Today—Walter Huston in "Law and Order"

Loretta Young and Norman Foster, the "sweetheart team" of "Play Girl," are at the Elsinore again today in "Week-End Marriage," featuring a large cast, including George Brent, Vivienne Osborne, Allyn MacMahon, Sheila Terry, J. Farrell MacDonald and many others. "Week-End Marriage" brings a blend of drama and comedy to the Elsinore, telling a story of a young married couple who find themselves at odds because the husband earns less than his wife. The story builds to a strong climax. It is swift-paced and real, showing the difficulties existing in so many homes where both husband and wife go to business. Thornton Freeland, prominent director of "Whoopie" and other popular pictures, directed "Week-End Marriage," which was adapted by Sheridan Gibbons from the best-selling novel, "Part Time Wives," by Faith Baldwin.

The truth provides a more tense, dramatic, courageous entertainment than fiction. The lawless west is shown "in the raw" in "Law and Order," the

Universal drama which opened an engagement at the Hollywood today. We do not think the screen has ever shown a more interesting or more realistic representation of the rugged days of the great American frontier.

The famous Washoe county, Nevada, divorce courtroom in which so many women have been made happy by securing freedom from objectionable husbands, is actually seen in "Lightnin'." Fox Movietone comedy drama, WITH ROGERS' third starring vehicle, at the Grand theatre.

MANCHURIA STATUS WARNING IS ISSUED

GENEVA, June 23—(AP)—The Chinese government warned the League of Nations today that Japanese recognition of the new government set up in Manchuria would "serve to render the work of the Lytton commission abortive and prepare the way for a grave conflict in the east." In behalf of Lo Wen-Kan, Chinese foreign minister, Dr. W. W. Yen, China's delegate here, asked that the league assembly induce Japan to refrain from recognizing the new state.

Cancellation Has Baldwin Backing

LONDON, June 23—(AP)—Cancellation of war debts and reparations in Europe, for which Premier Ramsay MacDonald is contending at Lausanne, was stressed as an essential preliminary to trade recovery by Stanley Baldwin, lord president of the council, in the house of commons tonight. He was replying on behalf of the government to a non-confidence motion sponsored by the labor opposition. The motion was rejected, 446 to 47.

QUAKE AND TIDAL WAVE TOLL HEAVY

COLIMA, State of Colima, Mexico, June 23—(AP)—The smallest state in the republic was virtually demoralized today in the wake of a month's siege of earthquakes, which culminated in a tidal wave that took perhaps 100 lives.

Governor Salvador Saucedo appealed for the help of the world Red Cross as he gathered reports of the wrecking of the resort town of Cuyutlan, and felt the inadequacy of federal and state forces on hand.

The capital, already burdened with the injured of quakes, today absorbed some 2000 refugees from Cuyutlan.

All of these, including the governor, were sleeping in the parks, afraid to return to the shelter of what homes remained lest the dreaded shocks re-visit the city.

Appealing for food, medicine, money and tents, Governor Saucedo declared the injured were not being adequately cared for. The chief executive said not much money was necessary, but unless some came immediately the death toll would grow because of the danger of pestilence.

REDS AND HITLER FORCES IN CLASH

BERLIN, June 23—(AP)—Embittered clashes between Adolf Hitler's national socialists and communists raging throughout the nation took a toll of four dead today, making a total of ten persons killed since the last weekend.

Fatal clashes occurred at Dortmund, where a national socialist was killed, at Duisburg and Strassfurt, where two communists died. A policeman died in Hamburg from injuries received in fighting earlier this week.

Joseph Goebbels, a chief lieutenant of Hitler, vehemently attacked the government of Chancellor Franz Von Papen at a great mass meeting in Berlin's sports palace.

He warned that unless the police checked the communists, "We will give the command to clear the streets ourselves."

GOLD IS SALVAGED FROM LINER EGYPT

BREST, France, June 23—(AP)—Divers of the salvage ship Artiglio II brought up more gold today from the wrecked liner Egypt off Brest, with a possibility that the last of the \$5,000,000 treasure which sank 13 years ago might be recovered tomorrow.

Working despite unfavorable weather conditions, the divers were reported to have brought up additional cases of gold ingots and bars of silver. The bulk yielded gold and silver estimated at about \$1,000,000 yesterday in the first haul.

It was estimated half the liner's cargo of bullion, which was lost when the Egypt sank after a collision in 1923, had been recovered tonight.

Over 4 Millions Salary Payment Made in Chicago

CHICAGO, June 23—(AP)—Mayor Anton J. Cermak conferred today with loop bankers over Chicago's financial situation and three hours later ordered the payment of \$4,500,000 in back salaries to policemen, firemen, teachers, and other civic employees.

The mayor said the payday was not brought directly as a result of the conference but that the meeting had given him renewed optimism. He said many large taxpayers had expressed a willingness to pay part of their past due taxes.

HAWKS BACK ON THE WING

About to take off on the first solo flight since his recent crack-up at North Drafton, Mass., Captain Frank Hawks, famous speed flyer, is shown as he bids adieu to Major Nelson Kelly, director of Floyd Bennett Airport, New York. Hawks flew to Boston, where he is still undergoing treatment for injuries sustained in his crash.

Mickey Mouse NOTES

SCOOP!
The Mickey Mouse club is going to have a float in the builders' parade—come downtown Saturday morning and cheer for it.

The Oregon Statesman every morning has all the latest adventures of Mickey Mouse—read them.

The breakfast party is going to be held July 23.

Of real importance tomorrow—a special show for Mickey Mice, "Father's Son," with Leon Janney, and the last chapter of "The Alrmal Mystery."

Ruth Director, one of our outstanding Mickey Mouse members, is going to Seaside for the summer. We'll miss you, Ruth, but just the same, have a good time!

Uncle Churchmouse says—"Standin' still may be a lot safer, but it don't get you nowhere" . . . Oh, well.

I wonder if strawberries and hives have gone into business together (excuse me while I scratch).

Didn't the bicycle look swell?

Don't forget every Mickey Mouse member is going to bring 23 of his or her friends with him or her this week.

Hot-cha Roy Mack had to be persuaded, but he said that he'll play another selection on his ukulele tomorrow.

And of course some other real stars.

I never saw a program go over bigger than the one last Saturday. The stars on it were Bobby Krechter, Cora Edgell, Pauline Drager and John Frigaard and Lyle Heckinger (that lovable team).

We're sorry that Nona Woody and Helen Kane were not able to be on the program as we had promised.

Don't forget to remember that we're going to have a swell time tomorrow.

So long, ZOLLIE.

Celebration to Be Meet Topic

PRINCE OF WALES 38, STILL SINGLE

LONDON, June 23—(AP)—The Duke of Cornwall, whose title originated in 1337, and pays him more than \$200,000 annually, today observed his 38th birthday as bachelor.

Incidentally he is also Albert Edward, the Prince of Wales, heir apparent to the British throne and bearer of half a dozen or so other titles.

The celebration was mild, including a little golf and dinner with other members of the royal household.

The prince can look back upon a year filled with a deal more activity than usually is the lot even of a prince of the blood, but perhaps the most important fact about him in mind of the British public is that this most popular of their eligible peers remained unmarried.

ROOSEVELT MAY GO TO PARTY MEETING

(Copyright, 1932, the Associated Press)

ALBANY, N. Y., June 23.—(AP)—Two developments at the democratic national convention in Chicago would take Gov-

ernor Roosevelt to the scene to address the delegates, it was learned today.

The first eventuality would be the prospect of a prolonged deadlock between himself and his seven rivals for the presidential nomination.

The second would be in event he was nominated and his advisers thought his presence would assuage the feeling of unsuccessful rivals and their followers.

While the governor said no later than yesterday he was not planning on going to Chicago, it became known he still is considering the journey.

At one time it was understood Mr. Roosevelt had considered having an airplane ready to speed him to the convention city in a few hours. A suite of rooms has been at his disposal in the Congress hotel for months. These, however, will be used by members of his family, some of whom already are on the scene.
