The four best letters, according to the judges' decision, were written by the following: first, Dora S. Stacey, route four, Salem; second, Mrs. George H. LaVelle, 955 Marion street, Salem; third, Mrs. Jennie Deuber, 2349 Myrtle avenue, Salem; fourth, Mrs. Oliver Goodrich, route three, Salem.

A large number of other answers came near to the prize winners in clarity of expression and careful analysis and answer of the question.

Excerpts from winning letters will be given on the society page of The Statesman on Sunday.

Today at Warner Bros. Elsinore theatre, women winning prizes will each receive two free tickets to the current play closing tonight, "Weekend Marriage" featuring Loretta Young.

ROTARY DIRECTORS' NAMES ANNOUNCED

SEATTLE, June 24.—(AP)—Nearing the close of its 23d annual convention, Rotary International Thursday passed a number of resolutions, learned the identity of the new United States and overseas directors, and held assemblies on international trade practices, involving trade barriers, bribery and secret commissions.

Five new United States directors, elected Wednesday, but not announced until later, are Allen H. Bagg of Pittsfield, Mass.; J. Murray Hill of Bowling Green, Ky.; Carl B. Stobbs of Columbus, Ohio; Dr. Harry C. Brown of Denver, Colo., and Mayor David J. Reese of Ventura, Calif.

Five members at large were elected by the retiring board of directors. These are: Dr. Luis Machado, of Havana, Cuba; Bisio Borillo of Naples, Italy; Fred Birka of Sydney, Australia; Ernest Aguilar of Mexico City and Kurt Blatrage of Stockholm, Sweden.

Vehicle License Issuance Short Of 1931 Figure

The number of motor vehicle licenses issued up to Friday night was approximately 25 per cent less than on the corresponding date a year ago, it was announced at the state motor vehicle division.

Receipts aggregated \$725,000. Most of the applications received by mail are being filled on the same day they arrive. This has been made possible through the installation of labor-saving machinery, and simplified forms.

Approximately 500 licenses were issued over the counter Friday.

SCHOOL BUS ISSUE UP BEFORE COURT

Stayton's Claim of Areas Also Wanted by Turner And Jefferson Aired

Petition of the Stayton school district for redistribution of the non-high school territory, asking restoration of some of the districts into which it sent its high school buses in 1929, was filed with the Marion county boundary board Friday morning at the courthouse.

Stayton asked to be given Fern Ridge, Oak Grove, Rock Point, Union Hill, Independence, Mehamas, Oak Glen, Triumph, Silver Falls, Oakdale and Howard. It asked optional rights in West Stayton, North Santiam and Sublimity. Marion district should be allowed to settle its own arrangements with the boundary board, according to Stayton's opinion expressed at the hearing.

For a two-hour period the starting controversy between Stayton, Turner, Aumsville and Jefferson school leaders over the respective bus territories was argued, the gist of the debate being over 15 pupils said to be attending Stayton from disputed territory, including eight pupils who come from the Stayton district.

Some persons asserted that these students who are first transported from their homes to Stayton bus line, were being subsidized in this cost by Stayton interests. Stayton people denied this charge and evidence was introduced at the hearing to substantiate the refutation.

The matter of soliciting for students was raised and all school leaders were in agreement that it was injudicious.

The board has until July 15 to make its decision and announced at the conclusion of the hearing that the matter would be taken under advisement for at least part of the period intervening between the hearing and the final date.

Boundary maps of the territory desired by each district are in the hands of the boundary board which consists of Mrs. Mary L. Fulkerson and the members of the county court.

POLK JURORS WILL RETURN ON MONDAY

DALLAS, June 24.—Members of the original Polk county circuit court jury panel have been notified to report Monday morning for the first of the jury cases on the docket for this term. This panel is the one that was called for the first of the Empire cases.

The docket in Judge Walker's court is filled up to July 14 with jury cases and equity cases.

The jurors who are to report Monday are: W. Beck, Sheridan, R. 1; Nannie E. Bennett, Dallas, R. 1; Roy D. Bigelow, Independence, R. 1; D. J. Bolter, Suver; Warren Burch, Rickreall; F. O. Byerley, Dallas; F. E. Clark, Atrille; Mae Coates, Dallas; M. I. Conger, Suver; E. A. Dunckel, Independence; J. W. BREITENBUSH HOTEL WILL OPEN SUNDAY

The opening of the Breitenbush Hot Springs resort and hotel next Sunday, June 26, is of interest to all citizens of this valley. Breitenbush is near the center of one of the great recreation areas of the country, just 72 miles from Salem with an excellent surfaced road.

One hundred and sixty thousand dollars has been spent in the last five years developing this resort. It now has 80 cottages, two hot water bath houses, a large natural hot water swimming pool, a store, a nice new hotel and a large modern dance hall.

This place is situated in the heart of the Cascades with an elevation of 2250 feet. Within a radius of 25 miles there are 30 lakes, planted with fish, over 20 mountain peaks which scientists tell us are extinct volcanoes, 900 miles of fishable streams, hundreds of miles of forest trails and within 10 miles of Mt. Jefferson and Marion Lake park.

PARADE FEATURES BUILD SALEM DAY

(Continued from page 1)

mated last night would be from seven to 10 blocks long, will be over 20 floats entered by building congress members, including four from Portland, 20 or more floats by Salem manufacturers, one by the Women's Greater Oregon association, three by theatres, and Capital post drum corps, American Legion junior band, and several orchestras. An announcer will bring up the rear.

Building costs are far below normal at this time, say congress members. They will portray in their lines of decorated floats jobs needed, the laborers are entering floats to convey these facts.

While dealing with serious subjects, the parade itself will not be entirely in this vein. A number of comic stunts, arranged for by George Sardan, will be put on in the line of march.

A Portland newsreel concern will be on hand to record the parade for widespread film exhibition.

Particularly for farmers will be the conference to be held from 9 a. m. to 6 p. m. at the chamber of commerce by Professor W. J. Gilmore, head of the agricultural department of Oregon State college. Professor Gilmore will give his services free in advising farmers of the types of buildings they need, savings to be gained through proper housing of equipment.

In sponsoring Build Salem day, "the building congress has no thought of crowding anybody into doing anything they cannot afford to do," declared O. G. Hughson, state organizer. "We want to develop a building consciousness and at the same time to create jobs."

The parade will form at Marion square and proceed along the following line of march:

South on Commercial to State, east on State to 12th, north on 12th to Court, west on Court to Cottage, north on Cottage to Center, south on Liberty to Court, east on Court to Church, where the floats will be lined up for inspection during the remainder of the day.

SMITH FIGHTS FOR TWO-THIRDS RULE

CHICAGO, June 24.—(AP)—Making good his promise to take off his coat and "fight," Al Smith today said he would go to the floor of the democratic convention to keep Roosevelt forces from discarding the two-thirds rule.

In a statement, the 1928 nominee, faced ruddier than ever and seemingly happy over the no quarter conflict to come, said he felt the two-thirds rule would be kept; that he was for Jonett Shouse for permanent chairman and he would not withdraw even if Roosevelt should.

Burglary Count In Missouri is Faced by Casey

Extradition was being sought yesterday by officials of Missouri for Alva Casey who was arrested Friday between Silverton and Scotts Mills by representatives of the sheriff's office here. Casey is wanted in Missouri on a burglary charge.

Casey recently left Missouri. He has relatives in the county out of Silverton and there Missouri officers instructed the local officers

STUDENT FAILURES REACH LOW FIGURE

(Continued from page 1)

Failures of students attending Salem high school during the past year amounted to 2.6 per cent of the enrollment, a decrease of 1.5 per cent from 1930-31. This is the lowest percentage of failures ever recorded at the school.

A slight increase was noted, however, in the number of students who dropped from school and failed to return. This is attributed to financial conditions.

Conduct of students riding in the school busses was better, according to Principal Fred E. Wolf's report. No accidents occurred during the year. Bus transportation has increased from 323 in 1930 to 530 the past year. Of this number, 113 came from Polk county. Cost of the service has risen from \$14,355.02 in 1930 to \$19,872 this year.

Enrollment at the high school was 1546, of which 774 were boys, 772 girls. At the end of the year, 1403 students remained.

Warning of Grass Fire Danger Given

Warning to property owners against the fire dangers from grass-covered lots was voiced by Fire Chief Harry Hutton yesterday.

Every year after the grass dries out, the fire department answers many calls daily to extinguish these fires. Many times they menace surrounding buildings.

Burning of the grass as a means of clearing the lots is highly dangerous, according to the chief. He advises that the grass be mowed and carried away, rather than burned or left to catch fire by accident.

With the grass now rapidly drying out, lots should be cleared at once to avoid the danger of fires starting from fireworks, the chief continued.

"Precautions such as these may prevent a very serious fire," he said. "Grass fires are difficult to fight; they burn so swiftly and shift with every change of the breeze."

Assault Charge Against Little Is Not Pressed

Because the wife and two small children of Arthur Little have nothing to depend upon but the day-to-day earnings of Little, assault charges brought against him on complaint of Mrs. Lillie Bello were withdrawn by her yesterday and the case dismissed from justice court, after Mrs. Bello paid court costs of \$4.50.

Little was arrested Thursday, with two complaints lodged against him the same day. On the other one, reckless driving, he is in jail serving out a \$25 fine which he was unable to pay. He lives in the Quinaby section.
