Garden Wedding is Colorful Affair Friday

Charming was the garden wedding of Friday night at the home of Mr. and Mrs. Earl V. Barham when Miss Irma Sawyer, daughter of Mr. and Mrs. J. B. Sawyer of New York City, and niece of Mr. Barham, became the bride of William C. Wells, son of Mr. and Mrs. Bert F. Wells of Tacoma.

A blue star-lit sky overhead, the glow of many gay Japanese lanterns swaying from shrubs and trees about the garden, perfume of many flowers and the colorful gowns of the women made a beautiful effect for the solemn and impressive wedding service as it was read by Rev. B. Earl Cochran before about 50 guests.

An improvised altar of lattice background twined with ivy and pink roses was arranged in an attractive nook of the garden. Here to the strains of a wedding march played by Miss Helen Stiles, the bridal party took its place.

The bride wore the wedding dress of her mother, a creamy white satin, tight fitting with puffed sleeves which fitted into a tight cuff, V neck and tip-toe length skirt. A long veil was caught about her head with a wreath of orange blossoms and she carried a shower bouquet of roses in a color combination of pink, white and cream.

Miss Loree Barham was the bride's only attendant and she wore a bouffant frock of pink net and carried an arm bouquet of snapdragons and carnations. Little six-year old Jean Barham, wearing a ruffled frock of pale green, was flower girl for the bride and sprinkled the path with rose petals from a pretty basket carried on her arm.

Mr. Wells was attended by Irwin Smit of Portland as best man. Preceding the ceremony Miss Doris Clarke sang "The Sweetest Story Ever Told" and "The Bells of Saint Mary's"; Mrs. Robert Kutch sang "Ours"; Miss Helen Stiles of Portland played the accompaniment.

Following the ceremony a reception in the garden greeted Mr. and Mrs. Wells. The serving table was arranged into a pretty study of pink and white color scheme with a deft touch of blue here and there. Cream wax tapers in crystal holders added beauty to the table with its background of garden flowers.

Miss Doris Clarke cut the wedding cake, and Miss Maxine Ulrich served at the punch bowl. Assistance in serving were Miss Dorothy Rose, and Miss Helen Hanke, both of Portland; Miss Dorothy Eastridge, Miss Helen Stiles and Mrs. Robert Kutch.

Following the reception Mr. and Mrs. Wells left for a wedding trip into the southern part of Oregon. They will be at home to their friends in Salem after July 20 at

CARVER ARRESTED ON VARIOUS COUNTS

Threatening Wife, Children Alleged; Examination Made at Hospital

When William L. Carver, former reporter on newspapers here, went on a drunken spree Thursday night after imbibing berry wine he had made, the affair was carried into justice court yesterday morning and later in the day resulted in observation by state hospital authorities. Carver lives in the Akeny Bottom district.

Carver was arrested and brought into justice court on a charge of threatening to take the life of his wife, Anne E. Carver, and their two minor children, and for threatening to commit a felony. Complaint which resulted in his arrest was made at 7 o'clock yesterday morning by Mrs. Carver to Justice of the Peace Miller B. Hayden.

Mrs. Carver was badly bruised. She said he had stepped upon her and kicked her and otherwise beaten her. He also threatened to kill one of the children with an axe, she charged. When he left the house for a short time she took the children and hurried to town.

Carver himself presented anything but a handsome appearance. His nose, cheek and eye showing results of a bad tussle, which he explained came about when he called the wrong man an abusive name. He encountered the man after his wife and children left home.

In justice court Carver waived preliminary hearing and was bound to the grand jury, but after he reached the sheriff's office a

MARION, July 8.—The largest hay crop which has been produced in the vicinity of Marion for years is now being harvested. Cut and vetch hay will average from 2 to 2 1/2 tons an acre. Ideal weather has prevailed so far, which has resulted in the production of hay of a superior quality. Prices have not yet been established on hay but farmers generally are asking \$8 to \$7 a ton plus the baling price.

A considerable acreage of flax is grown in this section, which was contracted by the Stayton processing plant but owing to the slump in the flax industry this plant will not be operated and the growers must take quite a cut under their contract price and will deliver in Salem.

Fall grain is good and a heavy yield is assured while spring sown grain is very light due to the lateness of the seeding caused by the excessive spring rains.

Much Work Done In Berry Fields Report Reveals

One man would have to work approximately 10 years to accomplish the work done in the W. A. General farm labor, chiefly hoeing on the same ranch this year was enough to keep one man working for around three years. The men did 1500 days' work for a total wage of \$2462.
