The fireplace in the city park, sponsored by the Garden club has shed its cheerful beams on many a happy occasion during its short life of only a few months and it stands ready to assist in other pleasant affairs that may be held in the park in the years to come.

Maybe This Gobbler Won't Pick a Fight With the Next Hen

INDEPENDENCE, July 9—Three short-lived chickens were the reward of the old turkey gobbler who had sat so faithfully on a setting of eggs at the W. P. Ramey home.

Four weeks ago the gobbler found a Rhode Island Red hen setting on a nest of eggs and he decided to take the job away from her. She refused to get off the nest and a battle was raging when Mr. Ramey interceded in time to save the hen's life. The turkey was given a trial at setting and after one week, a setting of fertile eggs was put under him.

He was faithful in his task and would leave the nest only long enough to snatch food and water, then he would hasten back to his duty not even taking time off to celebrate the Fourth of July. Friday three chickens hatched only to be smothered by the weight of the heavy bird.

On the last lap of his journey through Nebraska he encountered a cloudburst and he, together with 50 cars and trucks, was stuck for three hours on a new fill. He added the interesting bit of information that gasoline and oil for the entire trip cost \$32.37.
