Not only were United States government figures on spring wheat much larger than expected, but the Canadian government report indicated a spring crop condition only 1 degree less than perfect. Late Selling Causes a few Losses but Average is Held; Bonds Firm

Following the rise in the pork NEW YORK, July 12 .- (AP)market, veal took a high climb Stocks trudged through a stale, narrow market today.

Enough selling appeared toward the close to give a number of leaders small not losses, but in few instances did declines amount to a point, and the averages showed almost a standoff. Sales were somewhat larger than yesterday, totaling 690,176 shares.

In bonds, U. S. Treasuries seemed to be anticipating enactment of the Glass bill, which would make certain government securities the basis for currency. Issues in that division returned liberal fractional gains. Domestic corporations loans had a firm undertone, especfally among rails.

Auburn Auto softened more than 5 points net after an early gain of about 2. Brooklyn-Manhattan Transit skidded a couple of points, while American Telephone, American Tebacco "B." Case, U. S. Steel preferred and Coca Cola lost about one each. Rails were dull and fairly steady. A few packing company shares improved, joined by sugar and shoe stocks.

Preferred issues found the market thin on both sides; there were several advances. Laclede Gas preferred, appearing for the first time this year, broke 50 points to 40, but reduced its loss to 42. Century Ribbon preferred jumped 15 but then fell back partially. U. S. Steel common, American Can, Westinghouse, Consolidated Gas and Woolworth eased. Procter & Gamble was firm.
