

### CONSTRUCTION TO BEGIN SOON

#### On new Four Square Gospel Church at Woodburn; Land is Cleared

WOODBURN, July 14—Actual construction of a new Four Square Gospel church for Woodburn will probably begin within the next few weeks. Decision to construct a building for the Four Square Gospel church was made several weeks ago. The church will probably be finished and ready for use early this fall, and will go up on East Lincoln street, on the south side of the street and several yards east of the high school building.

The lot on which the church will stand was donated by W. J. Uppendahl. The lumber for the building will be gotten from J. C. Moomaw of Hubbard. Various members of the church will do the actual work of constructing the building, according to plans made by Rev. Armstrong, pastor of the local group.

Old Buildings Razed  
The lot has been cleared in readiness for the construction work. Several old buildings that were on the lot have been razed. Rev. Armstrong has drawn the plans for the new church with a basement. The outside measurement of the structure will be 46 by 66 feet. The building will be of the tabernacle style characteristic of many Four-Square churches. The auditorium will seat between 200 and 250 persons. Several smaller rooms will be located on the east and south sides of the main room. In the rooms will be spaces for the commissary, the meeting rooms for various children's societies, Sunday school rooms, and so on. Near the north side, or front, of the building, there will be separate rooms for the pastor and his family. The entrance of the building, will, of

course, be on the north side, facing the street.

#### Church 3 Years Old

The members of the church are at present meeting in the Coe building, on First street. The place, is, however, in many ways unsuited for use as a church building. The church was organized here about three years ago.

A feature of the construction of the auditorium will be a sloping floor, inclining toward the large rostrum planned for the pastor. There will also be ample room provided for a choir and an orchestra. There will be four banks of seats for the choir.

One of the most active departments in the new church will be the commissary. It is thought, especially in times like these being experienced at the present time, the plan is to make the operation of that department an active part of the church's work.

All persons having extra food, clothing, or other necessary supplies will take them to the church where they will be given to needy persons. A similar plan was used effectively this winter by the church.

#### Summer School Ends For Silverton Group

SILVERTON, July 14—The six weeks of summer school conducted at Silverton was completed Monday although final reports were not finished until Wednesday. Mrs. F. M. Powell was instructor.

Almost all in attendance were doing advance work in both senior and junior high school subjects. Two of the summer school students, Gladys McNeer and Ardith Drake took post courses. Others attending were Victor Hadley, Raymond Specht, Franklin High, Donald Goetsch, Eunice Watts and Catherine Tomison.

#### WOUND TAKES 5 STITCHES

SILVERTON, July 14—Mrs. Clara Baltimore fell Sunday while at a picnic at Gervais and cut her right arm on pieces of broken glass. The cut was so severe that it necessitated five stitches to close it.

### FRUIT JUICE PLANT MAKING GOOD RUN

WOODBURN, July 14—The Woodburn fruit juice extracting plant is enjoying a good run this summer. The plant started running about three weeks ago. Juice was extracted from about 35 tons of black cherries. At present the work of pressing the juice out of loganberries is being finished up. About 35 tons of very ripe loganberries will have been used by the time the pack for that fruit is completed, according to Earl Mathieson, who is manager of the plant. Work on raspberries will begin soon, it was indicated. The loganberries used, a large tonnage of evergreen blackberries will be used late in the summer.

The black cherries used were shipped here from Salem orchards. Probably most of the raspberries will be imported also. The loganberries, all from local yards, as the blackberries probably will be.

After the juice has been extracted from the various fruits it is packed in glass bottles, jugs and other containers that the buyers specify. There has been, in former years, good sales for the juices. This year's pack will probably be the same as that put up last year.

At present there are 12 men employed at the plant. H. S. Gile, a Salem man, owns the plant.

### Salem Boys and Girls in Summer Camps Having Great Fun, Happy Studies

By LELAND RYER  
OCEANSIDE BOYS' CAMP, July 14—Here we are and everybody happy. We got into camp Tuesday noon, and Pop Cray had a big feed for us. We had nature study Wednesday in charge of Mr. DuBots of Portland. He is a home fellow, too, as he knows all about birds and flowers, and all kinds of bugs.

We learned about bees today, and we have to know 15 kinds of birds and 15 flowers and to identify bird calls and tell what kind of birds they are.

Fred Blatchford has a class in handicraft and whittling. We make darts and arrows and Fred can take a couple of pine cones and some sea gull feathers and gather some drift wood off the beach and carve and whittle the fool things right into a good looking rooster and bird.

Well, the boys all like it too, only they get their fingers cut and get struck with a jackknife while learning, but they are very much interested.

We went on a hike Wednesday afternoon to study the insects on the beach, and then we hiked to Netarts and Oceanside. In a ball game Burley Bashor's Monkeys will play Fred Remington's Chimpanzees.

We have swell eats and lots of them. You ought to watch about the boys eat. That Dick Chambers keeps Bill Ross busy all the time! Time to go to class.

By BILL PHILLIPS, JR.  
CAMP SANTIAM, July 14—The Boy Scouts are busy again at Camp Santiam. Lorea Grant, center for the Willamette university football team, is physical director. The boys have nicknamed him "Doc." O. P. West is chief and T. O. Roake and Paul Hauser are assistants.

We have a good time swimming and playing ball. The water is pretty cold, but we like it anyway.

Charles Roblin after three years of mayorship gave up the office to himing and went to work for a heated session at which about 19 boys were nominated. They finally went down until Bean was elected. There are four boys from Chemawa attending camp.

There are seven tents and John Evans, Tom Earle, Charles Roblin, Earle Fortin, Fred Ellis, Dick Morgan and Ronnie Long are tent leaders.

We have cleaned off the parade grounds and cleaned up the camp. They serve very good meals and we are very hungry. Reville is at 8:30 and Taps at 9:30. Some of the Scouts have gone fishing but the fish won't bite.

There is 35 boys in camp, some will go home at the end of this week and others will come. Jim West was hobnobbing about camp with a sprained ankle but is O.K. now. The Rotarian Troop No. 1 has the most Scouts at camp.

By DOROTHY HUTCHASON  
CAMP SANTIAM, July 14—A delightful costume party took place at Camp Santiam on Tuesday evening. Each girl dressed as a book character, a character in songs sung at camp, or some other

### YOUNG PEOPLE PLAN SUMMER MEETINGS

The cabinet of the Young People's Forum of Keizer Community church met recently at the home of Carroll Cummings, president, to outline plans for the rest of the summer. The main part of this session was spent in planning for their regular meetings and for a delegation to Falls City Institute.

It was determined that hereafter regular coaching meetings for leaders would be held under the direction of Dorothy Ackman, first vice-president. There are also promises of a good institute delegation. A list of leaders and topics follows:

Enriching Recreation—July 17—"Our American Recreation," Ernest Savage; July 24—"What is Christian Recreation?," Ernest Savage; July 31—"Institute Sunday," August 7—"The God of Nature," Carroll Cummings.

Getting Along with People—August 14—"What Qualities Do We Need?," Dorothy Ackman; August 21—"How Does the Religion of Jesus Help?," Dorothy Ackman; August 28—"The Poetry of Revolt," Lorraine Becroft; September 4—"The Poetry of Revolt" (continued), Lorraine Becroft; September 11—"Fair-mindedness," Warren Poole; September 18—"Fair-mindedness" (continued), Warren Poole; September 25—"Testing Our Program," Ernest Savage and check-up, Carroll Cummings.

#### Former Silverton Pastor Has Relapse But Rallying Now

BRUSH CREEK, July 14—Mrs. M. J. Madsen was hostess Sunday at dinner to a group of friends from Portland. Present were Mr. and Mrs. George Henriksen and George Henriksen Jr., Mr. and Mrs. Melvin Nelson and their son, all of Portland, and Mr. and Mrs. Victor Madsen and children and Harold Larson of Silverton.

Mr. Henriksen reported that his father had had another relapse but was again rallying. His father is the Rev. George Henriksen, formerly pastor of Trinity church at Silverton. He is at present with his brother at Cleveland, Ohio. As soon as he is able he will go to Decorah, Iowa to be with his daughter for a time and then will come on to the coast. Mrs. Henriksen is with him.

#### OVERLUND VISITORS

BETHANY, July 14—Mr. and Mrs. Edwin Overlund have had as their house guest the Rev. Kenneth Thompson of Minneapolis. Rev. Mr. Thompson is on the coast in the interest of the Pacific Lutheran college at Parkersdale, Wash. He has been called

ing on members of the Lutheran community this week in the interest churches in the Silverton com- of the college.

### Woodburn Justice Purchases Building For Office Uses

WOODBURN, July 14—Announcement was made here Tuesday that Judge Hiram Overton has bought the small building and lot on Second street, until recently occupied by the real estate firm of Gill and Klamp. Judge Overton bought the property from Mrs. Libby Morcom, who lives in Dodgerville, Wis. Gill and Klamp have moved from the Morcom building to the other end of the block, where they are occupying the Becker building. Overton was burned out during the fire last week.
