Unique Garden Tea Event of Friday

A typical native Japanese garden tea will be sponsored by the Young People's league of the Salem Japanese community church Friday night, July 22, from 7:30 to 10 o'clock on the International house grounds, 670 South Winter street.

Lillie Sakamoto, general chairman of arrangements, has named as her assistants, Hoshie Watanabe, in charge of the program; Seiko Watanabe, chairman of the decorating committee; Emi Yada, in charge of refreshments; Bob Konishi, electrician; Tommy Ogura, ticket manager, and Shig Watanabe and Totsuro Yada, property managers.

Since this affair is to be a true Japanese tea, it will be conducted according to native custom in the midst of a beautiful Japanese atmosphere. At the entrance to the garden the guests will be greeted by two Japanese kimona-clad maidens who will bow them through the gradious orange gateway of Torii. After receiving the colorfully decorated little refreshment tickets from Gateman Tommy Ogura of "Torii" the guests will be conducted to the small tables arranged beneath swaying lanterns and tinkling "furins." There they will be served Japanese "ocha" (tea) with little fortune cakes and "sushi-maki" in the native style.

At intervals throughout the evening many musical numbers, both vocal and instrumental, will be offered by various members of the Japanese Young People's league.

The "Pilgrim's Chorus" in the native tongue will be presented by girls of the league, while Taul Watanabe will sing "A Japanese Love Song" accompanied by Hoshie Watanabe. The Misses Martha Okuda and Kiyo Mio will play several numbers on the Japanese harp, the "koto."

An interesting feature of the evening will be the exhibition of many unusual Japanese curios, among which the beautiful doll palace, composed of a set of Japanese "o-ni-na-samas" or dolls, elaborately dressed in native costumes, will be of especial interest to American guests. All of the curios will be displayed in the living rooms of International house in care of Bob Komishi, who will give explanations concerning each article.

All who are interested are cordially invited to attend this unique Japanese garden tea. Tommy Ogura is in charge of the ticket sale.

Salem Writer Has Honor Bestowed Upon Her

Of interest to the many friends of Mrs. Richard Cartwright will be the announcement that she has been accepted to membership in the League of Western Writers, an honor which comes only through some distinctive literary work.

Mrs. Cartwright wrote a poem with California as its theme some years ago, and this has been taken up by radio and patriotic sons and daughters and made quite well known among Californians. This was one piece of work which attracted the attention of the membership committee of the league. A second work is one that is unique.

Mrs. Cartwright, then writing under the name of Florence Byrnes, wrote the first "sestine," a form of French verse, to be attempted by an American poet. The other two successful writers of this form were Edmund Gosse and Swinburn.

Mrs. F. G. Franklin is also a member of the League of Western Writers, and Mrs. Cartwright and Mrs. Franklin will attend the convention of the league, to be held in San Francisco August 15-20 in the Clift hotel.

At this time writers from all over the United States will be in attendance and a most interesting time is being anticipated by the two matrons.

Of added interest to Salem writers is the fact that Col. E. Hofer was the founder of the league. Mrs. Franklin states that there is an excellent opportunity for a chapter of the league ot be organized in Salem.

MANY VISITORS AT OCEANSIDE SUNDAY

A number of persons Sunday visited the Y. M. C. A. boys' camp at Oceanside where 40 boys from the valley are enjoying an outing under auspices of the Salem Y. M. C. A. The weather last week was somewhat rainy which interferred with the outdoor program, but it cleared Saturday. This year a water system with hydralic ram to lift the water from the creek was installed, the Salem Rotary club donating the major portion of the cost. This supplies the camp with an abundance of fine water.

Secretary Kells who went over Saturday and returned Monday was enthusiastic over the organization there this year, praising highly the fine group of leaders and the study work which goes along with the play. The boys will come home Thursday. Only one camp will be held this year.

Those present for Sunday included Dr. Frank Brown, E. C. Clark, Dr. B. F. Pound, J. R. Pollock, George Alexander, Supt. H. W. Adams, of Corvallis. The men were accompanied by their wives and other members of their families.

ELSINORE THEATRE TO CLOSE AUGUST 1

Manager Carey is Hopeful of Continuance Through Some Adjustment

While James Carey, manager of Warner Bros. theatres in this city, received instructions from the Hollywood offices of the company to release all employes on August 1 and close the Elsinore, Mr. Carey stated yesterday that he would go over the affairs of the theatre here in hopes of making it possible for his company to continue the showings at the Elsinor. The Capitol theatre, also under lease to the Warner Bros. Theatres, Inc., has been dark all summer.

Operating losses are held accountable for the orders to close. The one house has had to carry the load of both since the Calitol closed and business has not been sufficient to carry the load. Twenty persons are employed at the Elsinore. Similar conditions prevail in other cities and theatre chains are closing many of their houses until times get better.

Mr. Carey had no information as to whether the company would reain its lease on the two theatres, which are leased from the former owners, George B. Guthrie and Frank D. Bligh, or would forfeit on the lease. Entered into nearly two years ago, the lease covered a term of ten years with option on an additional ten years. Previously the Fox theatres operated the Elsinore under lease for one year.

The Elsinore and Capitol are the largest theatres in the city and have shown first-run features. If the closing orders should be temporary one or both the houses might reopen in the fall when the theatre business usually shows a revival.

Two other theatres, both independently operated, continue in Salem, the Grand, which is downtown, and the Hollywood, which is out in north Salem.

WAGES ANNOUNCED FOR HOP WORKERS

Wages for hop pickers and others employed in the harvest were set at a meeting of the Oregon Hop Growers association at Independence Saturday night, and will prevail at yards about Independence, Dallas and Salem, according to H. A. Cornoyer of Salem.

At the same time the growers indicated that in so far as possible, all yards here would use Oregon people both as pickers and in the other jobs.

Pickers will receive 80 cents a hundred, with no bonus. This wage will likely prevail over the state, it is said.

Check bosses and firemen, $3 a day; kiln help and teamsters, $2.50 a day; helpers, $2 a day.

The wages established for this year represent about a 20 per cent reduction over those of last year.

SILVERTON BOY IS VICTIM OF BLAST

SILVERTON, July 18.—(Special)—Harold Merryman, son of Mr. and Mrs. John L. Merryman, of this city, was one of the four victims of the Raleigh Warner tanker explosion north of New Orleans Saturday morning, according to a wire message received by the parents from the Sabine Steamship company of Port Arthur, Texas.

Merryman, 21, was a graduate of the high school here, and attended Oregon State college for two terms. Merryman, with Darrell Gibson, shipped from Seattle to Alaska on the freighter Zapora, returning here to finish high school in 1928. In 1931 Harold shipped again on the Zapora, in the meantime rebuilt to carry passengers also.

Then he worked on other boats, last getting a job on the Raleigh Warner and held the rank of seaman at the time of his death.

Merryman leaves, besides his parents, the following brothers and sisters: Florence Mabel, Wilbur William, a seaman on an oil tanker now in the Atlantic, and Darrell Gordon, at home.

The sister, working at the Oregon caves this summer, is in the home economics department at Oregon State college.

The wire stated that the body was probably consumed by the flams, as no trace could be found.
