NORRIS H. LOONEY IS CLAN PRESIDENT

JEFFERSON, July 21 — The descendants of Jesse and Ruby Bond Looney held their annual picnic at Bryants Park in Albany Sunday. The Looney families were early pioneers of this community. Jesse Looney crossed the plains in 1843 and settled at Looney Butte, four miles north of Jefferson, and William Looney came to Oregon in 1850.

About 90 relatives and guests enjoyed the basket dinner served during the noon hour. The following officers were elected for the ensuing year: Norris H. Looney, president; Mrs. Frances Cornell, Salem, vice president; Mrs. W. W. Allen, Mill City, secretary; Karl Steiner, Jefferson, re-elected

treasurer; Mrs. David H. Looney, Jefferson, historian. A committee was appointed to draft a resolution to be sent to the highway commission requesting that the new bridge at Jefferson be named the Jacob Conner bridge in honor of Jacob Conner, who owned and operated the first ferry at Jefferson, and who was identified with every early enterprise of that day. The committee is as follows: Norris H. Looney, John Steiner, and Mrs. D. H. Looney.

Silver Creek Falls Route is Nearing Completion, Word

SILVERTON HILLS, July 21 — Work on the Silver Creek falls road is rapidly nearing completion. Work is at present being done on the road very near the falls. As almost all of the work is relocation it has not interfered with the traffic to the falls. It is said that even when the new bridge is put in traffic will continue as usual because the old bridge will be left until the new one, which will be put in above the present one, is completed. Traffic to the falls is rapidly gaining and every Sunday finds large groups of visitors passing through the hills to the falls. Week-days also have their share of Falls visitors.

AT "HEALER" TEA SILVERTON, July 21 — Mrs. Irma LeReche, Mrs. J. Ballentyne and Mrs. E. Holden motored to Salem Thursday to attend the tea given at the department of health by the Marion County Nursing association for the chairman of the different county supply units. Mrs. Holden is chairman of the Silvertown supply unit.
