### Scales is Still Leading but Erickson Gets Closer: West Side Next

The Salem Senators, who will play the West Side Babes of Portland here Sunday in a game which will drop one or the other from participation in the first place tie they now share with Eugene and Pacific Outfitting, lowered the Eugene Townies' batting averages last Sunday but did practically nothing to their own.

Some of the boys moved up a few notches and others dropped down the list but the team average remains at .259, practically what it was the week before. In six games the Sentors have collected 43 hits, a little more than seven per game, but have put up such tight defense that a seven hit average has been enough to win

two-thirds of the games. George Scales still leads the list of regulars in hitting, but Walt Erickson gained on him Sun-

PHILADELPHIA, July 22-(AP)—The Phillies pounded Chicago Thurston and Quinn for 20 hits, Pittsburgh der Horn of New Jersey tonight including two homers by Virgil | Malone, May and Hartnett; Davis and one by George Davis Swetonic and Grace,

We hadn't noticed, from watching the box scores spor-adically, that Howard Maple had been hitting but it appears that on the days we forgot to look at the scores, he has. New York sport pages arriving here show Maple in second place among the American league hitters, with a mark of .488 -16 times at bat and seven

Of course Maple hasn't been at bat enough really to qualify as one of the sluggers, but the record shows he's not quite powerless. Howard has appeared in a good many games, his name showing up more frequently of late and in closer games; but regular backstops is lifted for a pinch hitter, and he doesn't get to step up there at all. -0-

And while we're on the subject of our home town big leaguers, it appears that Billy Sullivan must be something of a nightmare to Mr. Fonseca, the White Sox boss, For a while Billy was being shifted from one job to another and regularly turning in his hit or two and his error each day. Tiring of that, Fonseca kept Billy on the bench for a while and occasionally sent him in as a pinch hitter.

Meanwhile the White Sox standing got rapidly no better, and now Billy is back in the lineup. They need Billy's big bat and don't know what to do
