ALEXANDER SMART, ESQ. BY DOC WINNER.

Registered U.S. Patent Office

ALEX GET A PAIL, QUICK! THERE'S A LEAK IN OUR ROOF AND THE RAIN'S COMING DOWN THROUGH THE CEILING

PUT IT HERE, SO MY RUG WON'T BE RUINED

OH DEAR! LOOK AT THE CEILING, I'M AFRAID IT WILL COME DOWN!
NOW DON'T WORRY ABOUT THAT, JEN, I'LL FIX IT, I'LL PUT A PAIL IN THE ATTIC

THERE! THAT WILL CATCH THE WATER AS IT COMES THROUGH THE ROOF AND THE CEILING WILL NOT BE DAMAGED

WE WON'T NEED THIS PAIL NOW, JEN!

IT'S RAINING CATS AND DOGS OUTSIDE AND THERE'S NOT A DROP COMING THROUGH! IT'S QUITE EASY TO HANDLE A PROBLEM SUCH AS THIS, IT IS ONLY NECESSARY TO USE YOUR HEAD AND THAT WHICH SEEMS TO BE A SERIOUS DIFFICULTY IS EASILY OVERCOME

CRACK! CRACK!

LET 'ER RAIN, WE HAVE NOTHING TO WORRY ABOUT

CRASH!
AUK!
