## FOLKS!

Time is the essence of this undertaking to such an extent that any sacrifice within the bounds of reason will be made to sell out quickly and completely, "lock, stock and barrel."

My record of over twenty years continual service in Washington and Oregon as commissioner of public sales is your guarantee of a square deal, and let me assure you that qualities will be as good, if not better, and prices assuredly away below any that I have been able to offer in the past two years, even in the most outstanding distressed merchandise disposals such as, for instance, Chesty's and McCormack's of Seattle, the Brownsville Woolen Mills Stores, and even the wholesale houses that I have closed out in Oregon and the City of Portland recently.

(Signed) SPENCER STERLING.

I make the prices — I'll give away Men's Shoes, Silk Ties and Boxes of Ladies' Full Fashioned Silk Hosiery also

With my compliments to Mr. Hollis W. Huntington, associates and employees in their recent courageous fight to save the business. In this time of uncertainty I find that it's the finest stores with Famous Brands that have the hardest sledding. Vandalic Business Seducers win the people on account of hard times with cheap merchandise at cheap prices—Be that as it may—Famous Brands could not save the Man's Shop.

## Doomed to Failure
