**Loan Status Explained**—Veterans cannot borrow money on the second half of their adjusted service certificate, it was explained here this week by D. W. Eyre, president of the United States National Bank. Some confusion has existed since the new law regarding the certificates became effective July 21. The only changes are that the federal government only charged three and one-half per cent instead of four and one-half per cent on loans made and no longer requires that the certificate holders have held his certificate for two years before making the loan.

Have the Statesman follow you on your vacation. Mailed to you address two weeks, only 25 cents.

## JULIET GLEN GIVES PLEASING RECITAL

Girl who Finished Study in Europe Recently Aids Christian Church

DALLAS, July 27—A small but appreciative audience attended the recital given by Miss Juliet Glen in the Dallas high school auditorium Tuesday night as a benefit for the building fund of the Dallas Christian church. This was Miss Glen's initial appearance in the United States since her return from Europe where she studied vocal music for four years under several of the well known operatic singers there.

Miss Glen was introduced to the audience by Rev. K. E. Burke, pastor of the First Christian church. She graduated from the University of Washington and then went to New York where she studied in the Sargent dramatic school. She then took a position as music supervisor at Auburn, Washington and later went to Europe where she studied under Madame Gilly and later Madame Calve.

Miss Glen is well known in Dallas and vicinity as she spent her girlhood and summers in the past at the Lyle farm here. At present she is staying with her mother, Mrs. I. M. Glen, on the Lyle farm. Her father, the late Professor I. M. Glen, was in charge of music at the University of Oregon and later at the University of Washington.

In her recital Tuesday night, Miss Glen sang in five different languages although she had planned on singing only songs of the German, French, and American composers. She sang in both Spanish and Norwegian in her encore numbers.

Her program was as follows: Zueignung (devotion) Strauss Allerseelen (All Soul's day) Ich Liebe Dich (I Love Thee) Grieg Chanson de printemps (Song of Springtime) Gounod Si mes vers avaient des Ailes (Were My Songs With Wings Provided) Hahn Aria (Romeo and Juliet) Gounod Do Not Go My Love Hageman Morning Less with the Delicate Air Arne Encore numbers were: Im Kahne de Falla Chanson de Fortunio Offenbach The song of the First Primrose Grieg

Her accompanist was Miss Ruth Bedford of Salem. A number of visitors were present from Salem including Joseph H. Albert and daughter Josephine and Miss Mary Schultz.

Miss Glen wore a flesh colored satin dress which blended nicely with the stage setting of four huge baskets of hollyhocks. During the first intermission she was presented with several floral gifts from appreciative members.

**FLAT REDUCTION IN SALARIES OPPOSED**  
Standardization Program is Suggested by Holman; Requests Figures

Further reductions in salaries and wages at the statehouses, if made, should be on a standardization program and should not follow a flat scale, Rufus C. Holman, state treasurer, declared Wednesday. His statement followed reports current at the state capitol that another wage reduction was contemplated to follow the 3 to 10 per cent cut made on July 1. Holman said he was opposed to reducing the compensation of any persons receiving less than \$100 a month.

"What the board of control should know as soon as possible is the amount of actual monthly savings accruing from the recent wage reductions ranging from 3 to 15 per cent," said Holman. This information would place the board in a position to act intelligently on matters affecting the salary and wage structure of the state.

Holman declared that he also had requested information as to the state departments that have complied with the recommendation of the board of control for salary and wage reductions. This information will be supplied by William Einsig, secretary of the state board of control, after the pay checks with the date of August 1 have been distributed.

Also the treasurer pointed out that the board's order for wage and salary reductions was mandatory upon all state departments under jurisdiction of the board and its members. Other state departments may use their discretion in complying with the order.
