WHEAT RISE HALTED AT 7 CENTS
BUTTER AND EGGS CONTINUE FIRM

Lower Grades in Best Demand; Receipts Holding Even

PORTLAND, July 29—(AP)—Market for butter reflects a favorable tone generally along the Pacific slope. In general there was no change in the price list for the day. Locally the situation appears strong for practically all scores. Best call remains for standards and for prime first with first and extra scores inclined to show call only when the former two are not available.

Butterfat situation remains firm.

Market for eggs continues to reflect strength locally and in the country generally. Receipts are just about holding although in spots they are lower. More storage withdrawals.

All through the cheese trade a stronger tone is suggested. Not only has there been a quickening of activity along the coast with advances in the east, but some of the former very low priced offerings have disappeared.

Car Misses Turn at Aurora and Crashes

AURORA, July 29—When W. H. Gilbert of Albany failed to make the turn Thursday morning at the south end of Main street, he crashed into the retaining fence on the other side of the highway. The occupants of the car all met with minor injuries. Mr. and Mrs. Gilbert and their daughter Mrs. J. G. Minton and family from Salem, are camping at Knights bridge at Canby, where the Rev. Wm. Poe of Portland who is a fluent speaker, is attracting large crowds. They were all enroute to Woodburn for a call upon a son, N. R. Gilbert when the accident happened.

Buyers Timid; British Market Holds Back On Rise Here

CHICAGO, July 29.—(AP)—Mateal setbacks in grain prices today accompanied buyers' shyness following a three day advance of more than 7 cents in wheat.

Lowest quotations for wheat were reached just before the close, but a fractional rally ensued at the last. Bearish factors pool market to follow advances on this side of the Atlantic, and it was asserted European importers were holding off.

Wheat closed unsettled, 1-4 to 1 cent under yesterday's finish.

Today's closing quotations:

Wheat: July old 50 1-4 to 3-4, new 50-50 1-4, Sep. old 51 1-2 to 5-8, new 51 1-4, Dec. 54 3-4 to 7-8.

VOLUME LESS BUT ADVANCE GOES ON

NEW YORK, July 29—(AP)—Although trading was less active and average net gains narrower, bulls still had the better of the argument in today's stock market and kept enough steam in the cylinders to generate another general expansion in quoted values.

Both shares and bonds met profit-taking particularly early, only to encounter enough new buying to resume their rise. Stocks looked strongest in the rail division, although utilities also ran well. Several specialties received fresh inspiration. The average advance was just a point. Volume totaled 2,101,874 shares.

Buying of carrier equities appeared predicated on Washington discussions for the granting of loans to railroads to facilitate maintenance and repairs.

Feller Building Is Sold to Lodge At Woodburn, Said

WOODBURN, July 29. — It has been learned from a reliable source that the Woodburn Odd Fellows' lodge has bought the Frank Feller building at the corner of First and Lincoln streets, and plans to repair the place and make it into the lodge's regular meeting place. The entire building, and not just the upper half, was bought by the lodge.

Although there is no meeting place in the upper half now, the lodge plans to take out the various small rooms and apartments there and create a sufficiently large hall. The purchase price was not given. At present there are some apartment rooms in the upper half of the building and a millinery store on the ground floor.
