

PELHAM TO START PAPER AT HALSEY

Officers Swoop Down on
Squatters While Stay-
ton men at Lake

STAYTON, Aug. 10.—The W. C. Pelham family have moved to Halsey, where Mr. Pelham will establish a paper, Mr. and Mrs. Pelham have both been employed at the Stayton Mail office for the past year and a half. During their stay here they made many friends, who will wish for them the best of success in their new location. Halsey has been without a newspaper for some time.

Dr. Beauchamp and Dr. Kornick, who are just home from a trip to Diamond Lake, report that four of the five squatters from the Umpqua national forest, who were unable to furnish bonds when they appeared in federal court in Portland Monday, were in custody of federal officers and in one of the cabins while the doctors were at the lake. Officers went out from the lake for the fifth man, E. H. Best. The men have gained considerable notoriety through their intention to "squat" or locate in a national forest.

Mr. and Mrs. Ernest Miller, Claude Crandall, Miss Marie Wourms and Mrs. Gweneth Mielke were each considerably bruised as the result of an auto accident Sunday night. The accident occurred near Waldport, as the party were returning from the various beaches. A car pulled out ahead of them and their car was overturned by the collision. The Miller car was damaged to the extent of about \$200. Mr. Miller expects to go over to the coast after it Wednesday.

Unless the wet weather should continue no great amount of damage will be done to the grain which is yet in the field.
