2000 TURKEYS FEED ON OTTINGER RANCH

OAK POINT, Aug. 11.—Tom Ottinger has 2000 young turkeys at his home here, the turkeys being brooded in Buell and brought here to stay until marketing time. They run on the alfalfa field and roosts have been erected down by the creek where a herder feeds and cares for them.

Allen Hall on the Durbin and Conover hop ranch, has been remodeling a building to be used as a restaurant, in readiness for the hop harvest, which will be on the last of August. A fire early this spring destroyed the building formerly used for a restaurant.

A letter from Miss Florence Walker from Ketchikan, Alaska, to her parents Mr. and Mrs. J. W. Walker, says she is enjoying her trip. There were 18 students and two professors on the boat, taking the trip offered by the University of Oregon summer school. This trip takes them in the interior of Alaska.

Pioneer Students Will Meet Sunday At Champoeg Park

CHAMPOEG, Aug. 11.—Pioneer students and others will have their day at Champoeg Sunday, August 14. This year it will be in commemoration of John Ball, who taught the first school in the Oregon country just 100 years ago.

In August, 1872, just 60 years ago, the first move to establish the state university at Eugene was made, and 54 years ago the door was open for students. These historical events will be of much interest to those attending Sunday.

There will be speaking and music at 11 a.m. and 2 p.m. Among the musicians will be Mrs. Albert McKay of Champoeg, violin artist.

... The management stakes the public confidence it now holds, that you will accept "LADY AND GENT" as one of the finest pictures to reach the screen.

GREAT!!

... in it's Human Appeal!

GREATER!!

... than any picture we have presented to you in months!

Strongest!!

... in its content of thorough, genuine, down-to-earth entertainment you've ever had!

STRONG STATEMENTS!!

yet true! ... for here is the story of a "lady" and "gent" who came out of the gutter ... where crooks sneak through the night ... then they went into the clean country ... under the blue of the heavens ... and the grimy little fists of a kid reached into their hearts and squeezed something out of them they never knew they had. Give your heart a chance to rejoice ... your tears to flow ... your hands to applaud with ...
