### PULL AHEAD IN CLOSING SPURT

Italy Ahead With Bare 100 Meters to go; U. S. is Winner on Points

By ALAN J. GOULD  
MARINE STADIUM, LONG BEACH, Calif., Aug. 13—(AP)—In a nerve-ringing finish that left a vast crowd of 60,000 spectators gasping with excitement, the University of California's unbeaten crew came from behind with a closing surge to whip Italy's powerful boat load today by just 15 inches, one-fifth of a second, and win the crowning event of the Olympic regatta for the United States.

Facing defeat with barely 100 meters to go as the blue-shirted Italians drove their shell ahead in a sensational bid for victory, the American collegians responded with a remarkable closing spurt that was just enough to send the prow of their boat first across the finish line.

It was a battle every sweep of the way down the 2000-meter Olympic straight-away, packed with roaring crowds. Never separated by more than a dozen feet, the American and Italian crews were a dazzling duel of speed, seamanship and stamina. Bow to bow in the last few strokes, it was so close as both crews swept across the line that it was not until the official decision came over the loud speakers that the crowd let loose its eager ovation for the triumphant Californians.

Italians One-Fifth Of Second Behind  
The official times were 6 minutes, 37.3 seconds for the United States, 6:37.4 for Italy.

Almost unnoticed in the terrific din of excitement, even though they were close enough to make it a "blanket" finish, Canada's leaders and the Cambridge University crew of Great Britain finished third and fourth in a battle that was almost as sensational as that between the first two boats. Keeping their own unbeaten record for 1932 intact, thereby duplicating the triumph of their California predecessors in 1928, and likewise maintaining the unbroken string of American triumphs in Olympic eight-oared competition, the great Golden Bear boatload also clinched the Olympic rowing championship for the United States.

It was the third victory in two days and saved the honor for the Americans, followed the decisive triumph of Garrett Gilmore and Kenneth Myers of Philadelphia, in the double-sculls, and gave the United States the winning total of 28 points for the regatta.

Great Britain, with two championships won, finished second with 26 points, Germany third with 20 and Italy fourth with 17.

### Yank Boxing Team Noses Out Victory

By RUSSELL J. NEWLAND  
OLYMPIC AUDITORIUM, LOS ANGELES, Aug. 13—(AP)—Olympic boxing champions were crowned tonight in a smashing climax to the international leather tossing competition that saw two Americans lead their country to the team title.

Cheered on by a near capacity throng of 10,000 fans, Eddie Flynn, clever New Orleans welterweight, and Carmen Barth, heavy punching Cleveland middleweight thumped their way to decisions that brought them team supremacy back to the United States after an absence of eight years.

The victories by Flynn and Barth added six points to the three accounted for by Louis Salca, Brooklyn flyweight, Nat Bor, Fair River, Mass., lightweight, and Fred Peary, of Stockton, all third place winners.

Argentina finished in second place with eight points; South Africa listed seven tallies in the final count and Germany's total stood at six.

Other out-of-town guests at the breakfast included Chief of Police Jenkins of Portland, Harry Niles, of the Portland police department, and Frank Longman, speaker of the house of representatives during the last legislative session.

Preceding the breakfast Dempsey addressed approximately 800 convicts in the main dining room of the prison. He received an ovation. Dempsey was introduced by Longman.

### CUBS WIN AND GO TWO GAMES AHEAD

ST. LOUIS, Aug. 13—(AP)—Charley Grimm, a St. Louis boy, made his debut as manager of the Chicago Cubs here today by accounting for two runs, giving the Cubs 3 to 1 victory over the Cardinals.

Keeping their own unbeaten record for 1932 intact, thereby duplicating the triumph of their California predecessors in 1928, and likewise maintaining the unbroken string of American triumphs in Olympic eight-oared competition, the great Golden Bear boatload also clinched the Olympic rowing championship for the United States.

It was the third victory in two days and saved the honor for the Americans, followed the decisive triumph of Garrett Gilmore and Kenneth Myers of Philadelphia, in the double-sculls, and gave the United States the winning total of 28 points for the regatta.

Great Britain, with two championships won, finished second with 26 points, Germany third with 20 and Italy fourth with 17.

PHILADELPHIA, Aug. 13—(AP)—Ed Holey pitched masterful ball today to hold Boston to five hits and give the Phillies their third straight victory over the Braves, 5 to 0.

**Borrow Knife To Pick Lock; Entirely Legal**  
When a man asks you: "Gotta knife, mister? I want to pick this lock." It's ordinarily time to get suspicious.

Nevertheless, Walter Winters, state policeman, was forced to take the risk of asking that question yesterday. And he was in civilian clothes. Someone had locked his state car.

Winters picked the lock, too.

### MORE RECORDS ARE SHATTERED

Helene Madison Breaks one And Defeats Miss Kight By Six-Inch Margin

By PAUL ZIMMERMAN  
OLYMPIC SWIMMING STADIUM, Los Angeles, Calif., Aug. 13—(AP)—Japan closed the greatest water carnival ever known to the modern Olympic games today in the blaze of two glorious victories which gave Nippon its first team title.

The crowning achievement came with the last event, when fourteen year old Knosa Kitamura, staging a spurt which none of the others could muster after 1500 meters of torrid swimming, swept home ahead of his teammate Shozo Makino in 19 minutes 12.4 seconds, cutting 24.3 seconds off the Olympic record.

Veteran Yoshiyuki Teurutsu, champion of the 1928 games at Amsterdam, successfully defended his 200-meter breast-stroke title, also winning from a fellow countryman. While his time of 2 minutes 45.4 seconds was short of the Olympic record set yesterday by Reizo Koike, second finisher, he had the necessary kick at the finish to win by two good yards.

Winning her second championship of the games to become the only swimmer so honored, Helene Madison, proved beyond dispute that she still is queen of the mermaids, by taking the 400 meter free style in five minutes 28.5 seconds. This shattered her own world's record, and the Olympic record of two days standing, posted by Lenore Kight, Homestead, Penna.

It was a great race between the Homestead school girl and Miss Madison, with the Seattle champion winning by six inches. Miss Kight's time also was under the world's record of 5:31, for she finished only one-tenth of a second behind the sturdy girl from the northwest.

Japan's triumph gave it a total of 87 points for the eight events with the United States, never before shown of the team honors since the ancient games were revived, second with 71.

The 400 meter triumph for America was the sixth win in the seven events on the program, giving America the Seattle championship by the wide margin of 96 points as against 18 for Great Britain in second place. Australia was third with seventeen; and Holland fourth with ten.

By winning the two races today, Japan increased its total of championships to five out of the six swimming races. Clarence Crabbe, United States, broke into what otherwise would have been a complete rout when he took the 400 meter free style title.

With the pheasants already in the pens and those released before and after the hunting season, there will be 350 liberated beside the several hundred at large which were raised in coops. Experiments have been made by planting in the pens of grains, green food and heavy seed bearing weeds, under which the birds love to hide and pick. Giving them as much as possible in small quarters the same conditions found when at large. There should be good hunting in this section this fall.

**PLAYGROUND BALL SEASON TO CLOSE**  
Playground ball teams will play their final games this week, the seniors and intermediates, two games each, and the juniors, one. In all three the Olinger field boys are leading.

In the senior league, however, Lincoln still has a chance at the championship. This team has won 11 games and lost 12. On Tuesday it will face the Olinger boys on Lincoln diamond and on Thursday, on Olinger field.

The Olinger Intermediates have the championship clinched, by virtue of having won 13 games and lost but seven. They will play the Lincoln boys at Olinger field tomorrow, and again at Lincoln on Thursday.

Olinger Juniors have won five and lost two. They will play the Lincoln Rallapitters at 14th street on Thursday.

**PLAYGROUNDS TO BE CLOSED SOON**  
The city playground season soon will be ended. Vivian Bartholomew, director at Olinger field, went off duty yesterday. Gus Moore will finish his work there at the end of the present week and Esther Arnold, at the end of next week.

Lincoln playground is scheduled to close on Saturday. Margaret E. Nelson, playground director, then will take up recreation supervision at the Livelyley boy yard.

**PILLER CHAMPION**  
LOS ANGELES, Aug. 13—(AP)—George Piller, of Hungary, won the individual sabre championship of the world tonight with the completion of fencing competition of the Olympic games. He won 7 and lost 1 match.

### STATE LEAGUE LEAD TIED UP

Schapp's Beats West Side, They'll Play 3 Games; Senators are Idle

By PAUL ZIMMERMAN  
PORTLAND, Aug. 13—(AP)—Defeating West Side, 5 to 2, here today, Schapp's baseball team went into a tie for the Oregon State league leadership.

The two teams will play a three-game series for the league championship. Bob Roberts' hitting contributed to the Schapp's victory. He got three hits, including a home run, in four tries.

West Side..... 7 3 700  
Schapp's..... 5 4 556  
Salem..... 4 5 444  
Bend..... 3 6 333  
Albany..... 1 7 222

Only one State league ball game will be played today, Eugene and Bend meeting at Eugene. The Salem Senators were to have played the Alcoa at Albany, but the ball diamond there will be under canvas, a circus being under way, so the game will be played later, either the middle of this week or next Sunday.

No team has a chance to horn in on West Side and Schapp's for a share of the championship tie, but if Eugene should lose today and the Senators win from Albany, there would also be a tie for third place.

A meeting of the league officials will be held in Portland next Saturday night, at which plans for the next season will be discussed.

### Foxy Ex-Big Leaguer Helps Solon Left-on-Bases Mark; House of David 7-4 Winner

Sprinting toward their goal of a world record for "men left on bases," the Salem Senators just about tied House of David in hitting and fielding Saturday afternoon on Olinger field, but lost 7 to 4. Left on bases, 9, making a total of 54 for their last five games. If they had to stay there, 18 would be cluttering each bag.

However, there was ample reason for the Senators staying on the paths-Saturday; reason in the person of Maple, former St. Louis Browns southpaw pitcher, who wore no whiskers on his face but nevertheless was a great ward to the Davidites. Being an old timer, he took it easy most of the time, striking out only three batsmen, but he was poison when there were men in scoring position.

The Israelites got 12 hits, only one more than the Solons, but they bunched three in the first inning, two in the second and four in the fifth for six earned runs, and got another in the fourth on a hit and two successive errors. They played a consistent hit-and-run game, and the flowing manes and whiskers impeded them so little on the paths that Atwell, shortstop actually scored from second on an infield hit.

The Senators were not without their moments. "Frisco" Edwards drove in two runs in the second, and in the third George Scates tripled over the left fielder's head and then came in on Gribble's neat squeeze bunt which

This league has been successful and no doubt will be continued with about the same representation next year. At this meeting also, Albany's protest of its game at Bend last Sunday will be aired, and arrangements made for the West Side-Schapp's playoff.

went for a hit. Three hits, by Foreman, Wood and Ashby, the latter a double, accounted for their fourth tally in the sixth. Every Senator hit safely, Ashby and Gribble getting two each.

### Those Heavyweight Eliminations

By HARDIN BURNLEY

ERNE SCHAAF  
HE BEAT PAULINO IN THE FIRST BOUT OF THE ELIMINATION TOURNEY

CARNERA  
PRIMO HAS COLOR, AND HE MAY YET BE A GREAT FIGHTER!

There are no signs of another Dempsey on the heavyweight horizon!!

A HEAVYWEIGHT elimination tourney! The very words recall old memories—the palmy days of "Tex" Rickard, when that incomparable master of ballyhoo was forever bobbing up with new heavyweight finds. As far as Rickard was concerned, heavyweights were really the only fighters that mattered, and "Tex" never was able to work up much interest in the activities of the smaller men. His fondest dream was to discover a colorful new heavyweight prospect who packed a kayo wallop; and it must be admitted that old Louis Angel Firpo, in spite of all his fictitious limitations, certainly filled the bill.

Immediately after unearthing one new "big Tex" would start the big build-up. A few convenient thrusters from consideration as championship contenders. The funny part of it is that this fight, poor as it was, certainly was not a whit more than the recent Sharkey-Edwards title match. As for the rest of the probable competitors in the current tourney, the most colorful of the lot is the

never-to-be-forgotten Dempsey-Firpo fight eventually came about one scrap which more than justified all of Rickard's advance ballyhoo. However, as things are today, even if the great "Tex" could come back to earth, it is doubtful that he could do much with the current crop of heavyweights. After all, think of the fighters that Rickard had to work with—Dempsey, Firpo, Carpenter, Willis, Gibbons, Tunney, and the rest—any of these men in his prime would be a stand-out today. In the first bout of Promoter Jimmy Johnston's current elimination tourney, Ernie SchAAF won the decision over Paulino after 15 tedious rounds. The small crowd that witnessed this uninspired mauling match agreed that an "elimination" bout it was a big success, since both men eliminated themselves from consideration as championship contenders. The funny part of it is that this fight, poor as it was, certainly was not a whit more than the recent Sharkey-Edwards title match.

As for the rest of the probable competitors in the current tourney, the most colorful of the lot is the

giant Primo Carnera. The smiling Alp is gradually forcing even his most hostile critics to admit that he can fight a bit, and with his tremendous physique he may yet become a super-heavyweight if he continues improving. When Primo lost a decision to Larry Gains in London, reports were spread in this country that he had suffered a decisive and humiliating defeat; but a glance at the London papers sufficed to prove once again that first reports are sometimes about as trustworthy as Ananias.

The facts are that the decision in favor of Gains caused quite a row, with much talk of Carnera being robbed; and some papers gave the giant Italian as many as 9 of the 10 rounds.

The rest of the heavyweights, with the exception of Schmeling, are a pretty hopeless bunch. Bear, Poirson and Hannan are the most promising of the younger crop, but old "Tawn" Risko could probably lick all three of 'em, now that he has taken a new lease on life. In the past we had Harry Sawyer, Balaban, Jeffries, Fies, Corbett, Johnson and so on; but now—PHOOEY!
