Pattern

The Junior Miss mode takes on a military air! Here a clever vestee with snappy revers and buttons, and perky shoulder caps make a frock over so important. Of course the skirt has simple lines to flatter the youthful figure. The brisk contrast of a white pique vestee with a lightweight woolen... one of the new weaves... brings sheer delight to any girl's heart.

Pattern 2411 may be ordered only in sizes 12 to 20. Size 16 requires 2 3/4 yards 34-inch fabric and 1-2 yard 36-inch contrasting.

Read 15c in color or stamps (coins preferred), for each pattern. Write plainly your name, address and the number of PATTERNS TO STATE SIZE WANTED.

LIBERTY LANDMARK TO BE TORN DOWN

LIBERTY, Aug. 16.—The Hoffman house on the Liberty road is being vacated and Harvey Hoffman will have the house torn down. He is at present undecided about when he will build a new house, and may build only a small cabin for the present to live in until he builds on the site.

The house to be wrecked is a very old one, among the first to be built here. It was at one time moved down the road and added to the house now occupied by Mr. and Mrs. John Kethler. Another owner moved the four-room house back up to its original site.

After a number of years the complete performance was repeated—moved down and up to the corner again in a few years.

When the Hoffman family purchased part of the land they built an addition to the house. They have owned the place for 30 years.

The Frank Judd, who are vacating the house, will live for the present in the residence part of the store building recently vacated by the I. O. Alsmans, who have moved to Salem.
