## Original Idea Used To Defray Expenses

With time for the Christian Endeavor conference close at hand and need for money to defray expenses for delegates there the young Endeavorers of the First Christian church bethought themselves of a gala idea for raising this money.

The idea took the form of a mock wedding held Tuesday night in the church parlors. Ruth Pendergraft as the aged father gave away his only daughter, Warner Jackson, to the handsome young groom, Geneva Barnes, and Ruth Reesor read the peculiar wedding ritual from a mail order catalogue.

The bridal party included Erma Cole, best man; Jack Barnett, maid of honor; Bill Judson and Francis Barnes, bridesmaids; Betty Kase McGahan and Gwenevere and Helen Rose Lee and Esther Wirt, flower girls; Josephine Hull, stool bearer, and Howard Cole, ring bearer. Miss Nola Clark was the mother of the bride.

Miss Opal Yates was soloist, and was accompanied by Miss Velma Wagner. A reception followed the wedding ceremony and for this the guests paid and that was how the funds were raised.

A program of readings and musical numbers was given during the reception hours by Lenore Putnam, Velma Wagner, Opal Yates, Ruth Reesor, Howard Cole, Geneva Barnes, Helen Rose Lee, Bill Judson, Gwenevere Wood and Mrs. Reesor.

Miss Velma Wagner and Miss Lenore Putnam were in charge of the general arrangements for the affair.

A few transients have been through here the past several days looking for jobs. They are a bit early for very little outside help will be required for 10 days or more, when the pulling will be in full swing.

The general consensus is that the onions average a little smaller than last year, but that the crop as a whole is larger in this vicinity. The onion fly did less damage than formerly.

Local prune growers report that prospects of a price are very faint this year, and a great many green prunes have been shaken to the ground for jobs.

At least A. C. Cammack, who owns property at First and Garfield streets, sent word this week to the session of the city council that he expects some sort of reimbursement from persons who hitch their horses to the city rack along the east side of First street.

## TRAVELING MAN ENDORSES ALL-BRAN

Says It Brought Relief From Constipation

"I want to take this unsolicited means to tell you what ALL-BRAN has done for me.

"I am on the road all the time, and this has a tendency to constipate me, or any one who travels all the time. I used to suffer a great deal from constipation, until some one told me about Kellogg's ALL-BRAN. Since I have been eating this cereal, I have been cured of constipation. I heartily endorse it to any one suffering as I did."

Mr. B. F. Pollard, Marion, N. C.

Constipation is caused by lack of two things in the diet: "Bulk" to exercise the intestines. Vitamin B laboratory tests show ALL-BRAN provides both. At the same time, it supplies iron for the blood.

The "bulk" in ALL-BRAN is similar to that of lettuce. Within the body, it forms a soft mass, which gently clears the intestines of wastes. Being a natural corrective ALL-BRAN is not habit-forming.

How much better than rinking pills and drugs—so often harmful. Two tablespoons daily will overcome most types of constipation—serious cases, with every meal. If you have intestinal trouble not relieved this way, see your doctor.

Serve ALL-BRAN as a cereal with milk or cream, or use in cooking. At all grocers in the red-and-green package. Made by Kellogg in Battle
