Oregon City Wedding Saturday is Complete Surprise to Salem Social Circles

Homer Smith Jr., and Miss Marjorie Swafford Take Vows in Quiet Church Ceremony in St. Paul's Episcopal Church

AND now something more over which to say "and did you know" for Saturday afternoon Homer Smith, Jr., son of Mr. and Mrs. Homer Smith of Salem, and Miss Marjorie Swafford, daughter of Mr. and Mrs. George Swafford of Oregon City were quietly married at 4 o'clock in St. Paul's Episcopal church in Oregon City with only immediate members of the families and a few intimate friends present.

The event had been quietly planned and came as a genuine surprise to both the Salem and Oregon City friends. Mrs. Smith visited in Salem many times and is well known here and especially well known to the University of Oregon people for she attended the university where she was prominently connected with its activities and where she was a member of the Alpha Delta Pi sorority.

Cogitations Along the Way . . .

"HAND-ME-DOWNS" are not so bad—we have exploded the idea that they are. For instance the Olympics—fabled in fact but in fancy constructed from "hand-me-down" views from those who saw them and no doubt that fancy is more diversified than if we had attended in person. We have sat back and heard the impressions of those who saw them and had we gone we would have been full of just one person's impressions—our own.

FOR instance Miss Dorothea Steusloff's thrill over the 14 year old Japanese who won the 15 meter swim—a 14 year old youth against the world and a winner.

And the thrill of watching the "grand sweepstakes" in spring board and high diving going one after another to fellow brothers and sisters of the United States.

The perfect weather—a bit foggy and dull in the morning and cool for the rest of the day—Miss Steusloff attended the last eight days of the meet.

Watching attempts of horses and riders to clear in perfect form an obstacle that in all would mean a 25 foot jump if completed in perfect form. And queer to say a Japanese horseman placed highest—hardly seems that there would be room enough in those little islands across the way to practice hurdling on such a scale.

IMAGINE any number from 50 to 105,000 human beings riding, driving and walking to one amphitheatre day after day and practically no accidents. This Mrs. Roy Keene felt one of the achievements of human accomplishments equal to the prowess of the athletes. The Keenes had an apartment just across the street from the amphitheatre. There were four policemen, one on each corner of the street in their block and several boys specially deputized and additional police to keep traffic moving safely. Courtesy and kindness marked every contact with these promoters of human safety and this in itself is something of a world record broken.

In addition to the police there were public address systems on street corners close to the stadium and from these time was announced, traffic suggestions made and helpful information given out to the crowds below.

We felt intensely with Mrs. Keene over the conclusion of the 26 mile marathon—she hated to see the lads come in and drop on the goal line after such a grueling run in the heat. But "Dad" Booth, old coach now with Detroit university was with her and "Spec" and would not let her leave—when the lads came in no one went down—they were men of greater stamina than expected.

The thrill of that first day with all the countries entering the arena and parading like soldiers—perfect formation and wonderful specimens of men and women.

That side visit to the "Forest Memorial" cemetery something like our Belcrest. There hidden away among the trees the "Wec Kirk of the Heather" of "Annie Laurie" fame. In it the

stained glass window of the last supper—completed in Europe after six long years of work.

The pageant at the Hollywood bowl following a symphony concert—"California Welcomes the World" in which 52 countries were represented by natives of the countries and each in native costume—supposed to be 40,000 people present—twice the number the bowl should accommodate.

THE thrill of Mrs. Frederick Lamport over the "wonderful display of boxing skill". An appreciative fan of such sports Mrs. Lamport made us see the fun of watching some black boy with shining teeth who came from such distance as Africa to break world records.

And the fun of seeing the "girls who hardly seemed human, take the hurdles and not knock down a single one—and the men did." The girls were lovely too, and dressed nicely for street.

MRS. W. H. LYLTLE made us thrill with a picture of the "ever burning fire" at the Olympic arch and here at this arch each afternoon before the games began winners of the events of the day before would be announced; the native flag of each would be unfurled and his native anthem played by a stirring band. All first, second and third winners were so presented while the crowds stood at attention, men with heads bared, and all with eyes fixed upon the winners.

An aside is, that of all the anthems, after due loyalty to that of the United States, the loveliest is that of France in Mrs. Lytle's opinion and that is something to think about when one had them all to compare as in that opening ceremony.

The absolute quiet and attentive silence of the well mannered crowd; the wonderful and beautiful specimens of manhood and womanhood, competing.

The Olympic art exhibit—oil paintings from every country with idea of sports for theme. Outstanding interest of Swedish picture of young girl in picture that reached from floor to ceiling.

"Hand-me-downs" of the Olympics, but what charming impressions to view it through.

Mr. and Mrs. Arthur Flaia and Mr. and Mrs. Clyde Harris have returned from several days fishing trip near Walport.

Weekend to Rush Party is Be Busy Time Attractive Event

THE week end will be rather busy socially and holds much of interest for a large number of people. One of the young circles enjoyed a gala dancing party which about 20 couples present Saturday night at which time Miss Genevieve Thayer entertained on the tennis court at the home of Miss Sally Bush.

Floodlights of green, red and blue played over the vine sided court and the arrangement of a loudspeaker for the radio gave excellent music for dancing.

The affair was given in compliment to Miss Frances McCune of Pasadena, who has been the house guest of Miss Thayer for several weeks. She will leave soon for her home in the south.

Visitors seem to be the inspiration for much of the entertaining these days and this was true of the party for which Miss Carolyn Brady was hostess Saturday afternoon complimenting a young visitor in town, Miss Helen Hoke of Pendleton. Miss Helen has been the guest of Miss Charlotte Hill and several informal affairs have complimented her.

Games and a line party made a jolly afternoon for the young maids, the list of whom included Miss Hoke, Charlotte Hill, Sally McLehan, Patsy Holt, Janis Nelson, Sybil Spears, Mary Ann Brady and Carolyn Brady.

Tonight Dr. and Mrs. W. H. Lytle will entertain Mr. and Mrs. Don Stewart and Mr. and Mrs. Thomas Hill, all of Bend. The affair will be a buffet supper and the Bend guests and former residents of Bend now living in Salem will arrive the guest list.

The Hills arrived Friday night to be guests of the Lytles and they were accompanied by Mr. Stewart, who came to join his wife, who has been visiting here for the past week. Mr. Stewart will return to Bend Monday and be back again to take Mrs. Stewart home this coming week end. The past week has been busy with affairs in compliment to Mrs. Stewart.

A splendid day was enjoyed by the Women's Missionary society of the First Evangelical church, Wednesday at the rural home of Mr. and Mrs. V. A. Ballantyne. A potluck dinner was served at noon, and the afternoon was divided between the business meeting at which Mrs. G. N. Thompson, president, presided, and visiting the lovely gardens of the Ballantyne home. Present for the day were Mrs. Thompson, Mrs. George Siefert, Mrs. A. Caughey, Mrs. Amanda Burgess, Mrs. Peables, Mrs. Larson, Mrs. O. Bewley, Mrs. William McDonough, Mrs. Anna Miles, Mrs. White, Mrs. Augusta Smith, Mrs. J. A. Remington, Mrs. E. W. Petticoard, Mrs. S. D. Cooley, Mrs. Hulda Maves, Mrs. Katherine Hilliker, Mrs. Grant Wilkoff, Mrs. W. C. Culler, Mrs. William St. Clair, Miss Lois Miles, Miss Anna Miles, Mrs. Harriet Burgess, Mrs. William Zozel, Mrs. Mary Seegar, Mr. Peables and Mr. and Mrs. Ballantyne.

Miss Janet Miller celebrated her fourth birthday recently at the home of her grandfather, Fred L. Miller. After playing games and taking pictures, the small guests were called into the dining room which had been converted into a pink and white crepe paper and fairy bower with streamers of balloons. At each guests place was a cup cake holding four small candles.

Assisting the small guests were Mrs. Carl R. Miller and Phyllis Turnbull of Florida, Aunts Minnie and Edna Miles. Guests honoring Janet were Doris Berwick, Dona Savage, Donie Hendricks, Flora Jane Johnson, Douglas Berwick and Phyllis Sutherland.

Mrs. W. T. Ramsden is visiting her daughter, Mrs. H. L. Coney of Oakland, Cal. She expects to spend a month in the south.

Organizations Make Ready for Year's Work Through Appointment Of Committees; Plans

Music Week Organization Will Come Under Direct aid of City; Business Women Make Committee Appointments

Announcement of definite meeting dates for the resumption of club and organization activity following summer vacation is being made each week. Last week the D. A.
