Of course this is all true if one depends upon finding lost using other person's clubs, playing in long trousers and using cow pastures for greens. In actuality golf costs are like house, auto, clothes or any other charges: as one's tastes rise the costs go up. A good golf course costs money to build and money to maintain and there's no gainsaying good shafts have a better "feel" to the swing that cheap ones. On the other hand, the poorly equipped amateur often has a better time than the \$80 man. For that matter we still think "shinny" or "old-sow" about as good as any outdoor games invented!

Leaders say With Cubs on Field Attendance Mark Endangered

By ALAN GOULD

Associated Press Sports Editor NEW YORK, Sept. 9-(AP)-If as appears likely the Chicago Cubs furnish the opposition to the New York Yankees, records for attendance and gate receipts figure to be shattered in the forthcoming world series, which, it was decided today, will open Wednesa rich man's sport. The expense day, September 28, at the Yankee of playing is just what you stadium

Since the Yankees last appeared in the series in 1928 the big Bronx ball park has been enlarged so that its seating capacity is 69,946 and the maximum "gate" \$234,000, figured on the customary championship scale of \$1.10 for bleachers, \$3.30 for unreserved portions of the grandstands, \$5.50 for reserve grandstand seats and \$6.60 for box Meeting today with Commis-

sioner Landis to arrange details for the world series, the magnates decided to make no change in the price of tickets. Thus, a capacity turnout for the opener or at any other game in New York will eclipse the record of 63,600 cash customers, set at the Yankee stadium in 1926, and the mark of \$224,130 for gate receipts, made in 1928 at the same park.
