LUMBER DEMAND ON INCREASE, REPORT

SEATTLE, Sept. 10-(AP)-West Coast Lumbermen's association today said that 321 mills reporting for the week ending Sept. 3 operated at 20.5 per cent of capacity, a slight gain over the previous week.

Current new business of 216 identical mills was 54.7 per cent over production, and these plants said production was approximately 1,000,000 feet over the previous week. Shipments for the week were 19.4 per cent over production.

Inventories as reported by 144 mills, decreased 10.500.000 feet from the week ending Aug. 27. and were 22.5 per cent less than at this time last year.

Unfilled orders increased 17 .-265,000 feet from the previous week, making the total "backlog" of the industry 15.1 per cent of inventories, the highest ratio since January. This was due to a steady decrease in stocks, and a sizeable gain during the last two weeks in
