#### Car Loadings go up; This Puts Courage Into Traders

NEW YORK, Sept. 10.—(AP)—Stocks failed to give a very clear-cut performance in the week-end market today. Realizing sales, which affected the general list, gave way to a rally in the last hour when leading recovered under the stimulus of a favorable car loadings report and the closing average, covering 90 issues, closed with a small gain. In the rank and file, however, there were more declines than advances. Volume declined to 1,498,200 shares.
