

### VARIED PROGRAM GREET'S FARMERS

MARION, Sept. 15.—The last meeting of the Farmers' Union local was bigger and better than ever, with most of the time given over to the prominent speakers attending.

Mr. Jackson of Portland stressed strongly the need of farmers being organized to the extent that they must buy together and sell direct to the consumer. Max Gehlar, of the state agricultural department, gave a complete outline of what is being done to

make the state fair more successful. Mrs. Betty Gappan of Eugene, state union secretary, was present and gave an interesting account of her recent trip through the east.

Others from a distance who gave short talks were Mr. and Mrs. George Polts, Mr. and Mrs. Jake Gillmore and Mr. and Mrs. Todd.

The Marion union will have a booth at the West Stayton harvest festival Saturday, September 17. In charge of the booth are Carl Olson, Herman DeLaugh and Arthur Tucker.

### Homecoming Is Slated by Island Club

GRAND ISLAND, Sept. 15.—The Grand Island Improvement club is sponsoring a homecoming event to be held on the school grounds Sunday, October 2. This is the first event of its nature held in the district and promises to be a very enjoyable time.

About 125 notifications have been sent out by the committee to all persons who have in any way been connected with the island and community, past or present.

A varied program of both local and outside talent will be given in the morning and afternoon. A basket dinner will be served at noon. At the close of the afternoon program a baseball game will be played.

### Outside Calls Keep Firemen At Aurora Busy

AURORA, Sept. 15.—The Aurora fire department has answered seven calls in little more than a week. Tuesday two calls were turned in, one a brush fire at the Charles Arnold place north of town which was threatening buildings. The second was a sawdust fire at Joe Kings. Calls from Fargo, Union Hall, Butteville, Donald and a grass fire at the side of the road near Hubbard, have been answered averting considerable loss.

Members of the department show much interest and pride in the added equipment of a pump and water tank and feel equal now to any ordinary conflagration.

### More Students Planning to Go To University

SILVERTON, Sept. 15.—Each day more students are announcing their plans for the autumn. Franklin Evenson, who has been attending Reed College will transfer to the University of Oregon this autumn.

La Forrest McDonald will return to Willamette university; Martha Goodknecht, who was graduated last June from the Silvertown high school will enter state normal at Monmouth. Vernita Brewer and Harold Irish will both study at post graduates at Silvertown high school.

### Parish School to Make No Charge on Tuition and Books

SILVERTON, Sept. 15.—St. Paul's parish school at Silvertown will open September 19. Changes have been made in the manner of conducting the schools this season. There will be no tuition charge nor will there be any charge for books.

The parish has been divided into groups and each of these groups will give socials and thus raise funds to care for the needs of the school. Heads of the divisions are now at work preparing plans for the affairs to be given.

Father Raymond is given credit for creating this plan of caring for the school.

### Larsons' 25th Wedding Date Is Celebrated

BRUSH CREEK, Sept. 15.—Relatives here have received a letter telling of the 25th wedding anniversary observances of Mr. and Mrs. Axel Larson at their home near Galata, Mont. The affair was held August 21, as a surprise to Mr. and Mrs. Larson. Fifty neighbors gathered for the occasion. Henry Woore of Chester, Mont., known to many here, sang a group of songs. A gift of silver was presented to the guests of honor and a 6 o'clock dinner was served by the surprisers.

This recalls to residents of Brush Creek the wedding which took place August 21, 1907, here. Mrs. Larson was Miss Sophia Goplerud, daughter of Mr. and Mrs. J. Goplerud, who lived at that time on what is now the O. S. Hauge home.

### Clerk Election Is Slated for Island Tonight

GRAND ISLAND, Sept. 15.—The Grand Island school district No. 94 will hold a special school meeting at the schoolhouse Friday night, September 16, for the purpose of electing a new clerk to fill the vacancy made by the resignation of Mrs. Arka Lawrence.

Mr. and Mrs. Lawrence and family have moved from their home here to a neighboring district.

### Day's Labor Behalf Needy Is City Call

SILVERTON, Sept. 15.—The welfare committee at Silvertown is sending out an appeal to the women of Silvertown to go to the Silvertown Food Products company cannery Friday morning and assist in the preparation of the food for the canning. The cannery officials are canning vegetables and fruits which are to be used in the welfare work here this winter.

The committee has purchased a cow which will be butchered and prepared by Lawrence Larson of the City Meat company. This, with vegetables donated, will be made into a stew which will be canned for the winter's need. While considerable prunes and pears are at hand to be canned Friday, the committee reports that it can use more of both fruits and vegetables.

A day of canning was held last week and while a number of women responded more could have been used. Work at the cannery will begin at 8 o'clock. All work is donation work.

### Airlie Schools Resume Classes Monday Morn

J. F. Weisert has men employed filling in the floor of his new modern barn preparing it for cement.

Charlotte E. Banta, who has been away from home working since June 7, has returned to visit her parents for a few days.

### Studies Start At Clear Lake School Monday

CLEAR LAKE, Sept. 15.—Clear Lake school will open September 26 with Miss Dorothy Neal, Silvertown, as principal, and Miss Texila Bostrack of route eight, the lower room.

The district board has been having the school house and grounds cleaned up this week, and had one room kalsomined.

Hop picking is almost completed in this vicinity excepting Mr. Kelley who just got started Thursday and Livesley finished Saturday. Prune picking is well under way. Mr. Allen and Mr. Peterson on the Senior place are picking part of the time now as prunes are a little too green to dry.

### Teachers Repair Graders' Texts

HUBBARD, Sept. 15.—Teachers in the grades are on the job at the schoolhouse for the rest of this week, and are numbering and repairing textbooks in preparation for the opening of school Monday. The books are owned by the district.
