## College "Rush" Days are at Hand

With the dawning of Monday the university "rush" days will be in full play for two weeks. At the end of that time, October 7, the bids will go out and the choices will be made and October 9 the formal announcements will be made as to "whom went where".

The rushing time will begin with an inter-sorority "at home" for all freshman girls on the campus. The hours will be from 3 to 5 o'clock for Alpha Phi; from 5:30 to 7:30 for Delta Phi; and from 4 to 6 o'clock for Beta Chi.

The program for the Delta Phi sorority includes an informal tea September 30, an informal dinner October 1, and a formal dinner October 4. Other sororities are getting plans under completion.

Interesting things are being done by the campus Y. M. C. A. and Y. W. C. A. also. Saturday night the annual Y. W. and Y. M. party at the downtown Y. M. C. A. was enjoyed.

The annual "jolly jaunt" will be enjoyed under the direction of the campus Y. W. C. A. and at this time all freshman girls are guests and with them their "big sisters" of the university.

This coming Saturday night will be the occasion of the annual formal reception for all university students for which the Y. W. C. A. and Y. M. C. A. are hosts.

This will be given at Lausanne hall. Miss Midge Hewitt is general chairman on arrangements for social affairs for the Y. W. C. A. this semester and will have general charge of this. Miss Ruth Pick is in charge of the program.

The receiving line will be headed by Gus Moore, president of the Y. M. C. A. and Miss Dorothy Rose, president of the Y. W. C. A. and Dr. and Mrs. Carl Gregg Doney, Dean and Mrs. Frank Erickson, Dean and Mrs. Roy M. Lenkour, and Dean Olive M. Dahl.

Some twenty-five citizens responded to the call, and by heroic work stopped the fire before it reached the outbuildings adjacent to her home.

Sparkling eyes and a smooth complexion depend on good health. The beautiful woman guards against constipation. She knows this condition can cause headaches, sallow skin, dull eyes, pimples, premature aging.

Protect yourself from constipation by eating a delicious cereal. Tests show Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and Vitamin B to tone the intestinal tract. In addition, ALL-BRAN furnishes blood-building iron.

The "bulk" in ALL-BRAN is similar to that of lettuce. Within the body, it forms a soft mass, which gently clears the intestines of wastes. How much safer than pills and drugs—so often habit-forming.

Two tablespoonsful daily—in serious cases, with every meal—will correct most types of constipation. If your trouble is not relieved in this way, see your doctor.

Serve as a cereal, with milk or cream, or use in cooking. At all grocers. In the red and green package. Made by Kellogg in Battle Creek.
